## Chapter 1

### NONDISCRIMINATION

#### 1-A. OVERVIEW

Federal laws require Barnett Building (BB) to treat all applicants and tenant families equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. Barnett Building will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the Federal Register February 3, 2012
- The Violence against Women Reauthorization Act of 2013 (VAWA)
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted.

When more than one civil rights law applies to a situation, the laws will be read and applied together.

#### BARNETT BUILDING Policy

No state or local nondiscrimination laws or ordinances apply.

## 1-B. NONDISCRIMINATION

Barnett Building designated by HUD to serve elderly and disabled households. An *elderly household* is a household in which the head of household, spouse, or co-head is 62 or older. A *disabled household* is a household in which the head of household, spouse, or co-head is a person with disabilities. Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as Barnett Building's policies, can prohibit discrimination against additional classes of people.

Barnett Building shall not discriminate because of race, color, sex, religion, familial status, age, disability, or national origin (called "protected classes").

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

Barnett Building will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12].

### BARNETT BUILDING Policy

Barnett Building identifies additional protected classes according to Erie County Human Relations Commissions as: ancestry, criminal history, and source of income.

Barnett Building will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the program
- Subject anyone to segregation or disparate treatment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or tenant toward or away from a particular area based on any of these factors
- Deny anyone access to the same level of services
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

## 1-C. POLICIES RELATED TO PERSONS WITH DISABILITIES

The owner must ensure that persons with disabilities have full access to Barnett Building's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the PBRA program [24 CFR Part 8].

### BARNETT BUILDING Policy

Barnett Building will ask all applicants and resident families if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by Barnett Building, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact Barnett Building.”

The contact person for requests for accommodation for persons with disabilities is the **Section 504 Coordinator, Sam Vanchieri, who can be contacted at 814-665-5161.**

## 1-D. REASONABLE ACCOMMODATION

A *reasonable accommodation* is a change, exception, or adjustment to a policy, practice, or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common use spaces. Since policies and services may have a different effect on persons with disabilities than on other persons, treating persons with disabilities exactly the same as others will sometimes deny them an equal opportunity to use and enjoy a dwelling [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

## 1-E. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that owners treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to Barnett Building's programs and services.

If the need for the accommodation is not readily apparent or known to Barnett Building, the family must explain the relationship between the requested accommodation and the disability.

### BARNETT BUILDING Policy

Barnett Building will encourage the family to make its request in writing using a reasonable accommodation request form. However, Barnett Building will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

## 1-F. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities can be found at 24 CFR Parts 8.3 and 100.201. The definition of a *person with a disability* for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of *disability*, which is used for waiting list preferences and income allowances.

Before providing an accommodation, Barnett Building must determine that the person meets the definition of a *person with a disability*, and that the accommodation will enhance the family's access to Barnett Building's programs and services.

If a person's disability is obvious or otherwise known to Barnett Building, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to Barnett Building, the owner must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].
- Barnett Building must request only information that is necessary to evaluate the disability-related need for the accommodation. Barnett Building may not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.

## **1-G. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]**

Barnett Building must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the owner, or fundamentally alter the nature of Barnett Building operations.

Requests for accommodations must be assessed on a case-by-case basis. The determination of undue financial and administrative burden must be made on a case-by-case basis involving various factors, such as the overall size of Barnett Building's program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, Barnett Building may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that Barnett Building may verify the need for the requested accommodation.

### BARNETT BUILDING Policy

After a request for an accommodation is presented, Barnett Building will respond, in writing, within 30 business days.

If Barnett Building denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal Barnett Building's decision.

If Barnett Building denies a request for an accommodation because it is not reasonable, Barnett Building will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the PBRA program and without imposing an undue financial and administrative burden.

If Barnett Building believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, Barnett Building will notify the family, in writing, of its determination within 30 business days from the date of the most recent discussion or communication with the family. The notice will inform the family of the right to appeal Barnett Building's decision.

## **1-H. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS [24 CFR 8.6]**

HUD regulations require the owner to take reasonable steps to ensure that persons with disabilities related to hearing and vision have reasonable access to Barnett Building's programs and services [24 CFR 8.6].

### BARNETT BUILDING Policy

At the initial point of contact with each applicant, Barnett Building shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

## Chapter 2

### THE APPLICATION PROCESS

#### 2-A. USE OF ELECTRONIC SIGNATURES [Notice H 2020-04]

HUD allows but does not require owners to use electronic signatures (e-signatures) in compliance with Notice H 2020-04 and federal, state, and local laws. Owners adopting policies on the use of electronic signatures must provide applicants and tenants the option use “wet” signatures (i.e., original signatures) and paper documents upon request.

##### Barnett Building Policy

Barnett Building will accept and use electronic signatures (e-signatures) during the application process, the leasing process, and the annual and interim recertification process, as described in this section and in compliance with Notice H 2020-04 and any applicable federal, state, and local laws.

In lieu of electronic signatures, tenants have the option to sign any required documents or forms on paper with a “wet” signature if they so request.

References to original signatures throughout this policy may be interpreted and implemented through electronic means.

The owner will ensure appropriate data security for both the record being signed and the signature.

Acceptable methods of electronic signature include:

##### **DocuSign**

#### 2-B. TRANSMISSION OF FORMS, NOTICES, AND DOCUMENTS [Notice H 2020-04]

HUD allows but does not require owners to communicate electronically with applicants and tenants and/or provide documents and notices electronically when state and local law permits and in accordance with Notice H 2020-04.

If the owner chooses to use electronic communication procedures, applicants and tenants may also choose to communicate electronically with the O/A provided their choice is made affirmatively—not assumed with an opt-out procedure. The O/A may designate specific methods as acceptable for electronic transmissions from applicants and tenants.

When state and local law permits, the owner may also provide documents and notices electronically or make such documents available in electronic format. However, when HUD regulations or notices or state or local law require notices to tenants be sent by first class mail, delivered directly to tenants or their units, or be posted in public spaces, electronic communication does not satisfy this requirement.

Applicants and tenants must have the opportunity to provide their information and documents in paper copy and to receive documents in paper form, including both before they have provided any information or documents electronically or after they have done so and wish to discontinue doing so. If an owner chooses to provide documents electronically, the owner should inform applicants or tenants of their option to receive such documents in paper form.

### Barnett Building Policy

In compliance with federal, state, and local laws and HUD regulations, the owner will securely, electronically transmit HUD-approved and required documents when feasible throughout the application, move-in, and annual and interim recertification process. Tenant and applicants may request paper copies of such documents and may provide information in paper form at any time.

Barnett Building will inform applicants of their ability to communicate electronically with the owner and/or receive paper copies of documents via the application.

The following methods are acceptable for electronic submission of documents:

**complete online, scan, online apps, email, etc.**

### **Acknowledgement of Receipt**

If required notices, forms, and brochures are distributed electronically, HUD recommends that owner request an electronic acknowledgement of receipt. Where HUD does not specifically require applicant or tenant acknowledgement of receipt, the owner should nonetheless maintain records showing that they provided applicants or tenants with the electronic file or the electronic address used to access the document.

### Barnett Building Policy

Where HUD requires an acknowledgement of receipt for certain documents or forms and the BB has adopted a policy for electronic documents, the BB will request an electronic acknowledgement of receipt from the applicant or tenant. For documents provided electronically that do not require an acknowledgement of receipt, the BB will maintain records showing they provided information electronically.

### **Effective Communication to Persons with Disabilities [24 CFR 8.6; 28 CFR 35.160; 28 CFR 36.303]**

The owner must ensure effective communication with persons with disabilities by ensuring that all notices and communications provided electronically are consistent with applicable fair housing laws and regulations and that electronic communications do not impose any barriers in accessing information, programs, and activities by persons with disabilities.

The owner must provide appropriate auxiliary aids and services necessary to ensure effective communication, which includes ensuring that information is provided in appropriate accessible formats as needed (e.g., Braille, audio, large type, assistive listening devices, sign language interpreters, accessible websites and other electronic communications). In the event that a person with a disability is unable to use an electronic system or file that meets federal accessibility standards, the O/A must provide reasonable accommodations to afford users an equal opportunity to participate (e.g., in completing and signing documents or submitting documents in paper copy).

## **Effective Communication to Limited English Proficient (LEP) Individuals [Executive Order 13166]**

The owner is responsible for ensuring effective communication of electronic media includes reasonable steps taken to ensure meaningful access for persons with Limited English Proficiency (LEP) across technological platforms. Such formats may include, but are not limited to, multilingual websites and other electronic media.

## **2-C. MARKETING**

Barnett Building will market available units in accordance with the HUD-approved Affirmative Fair Housing Marketing Plan (Form HUD-935.2A) in order to reach those who are least likely to apply and to attract a broad cross-section of the eligible population without regard to race, color, religion, sex, disability, familial status, gender identity, or national origin.

## **2-D. APPLYING FOR ASSISTANCE [24 CFR 880.603(a); HUD Handbook 4350.3, REV-1, CHG-4, Section 4-14]**

Any family that wishes to reside at the property must apply for admission to the program. Applications must be signed by both Barnett Building and the applicant. HUD permits owners to determine the format and content of the application, as well how such applications will be made available to interested families and how applications will be accepted by Barnett Building. However, Barnett Building must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the application.

### BARNETT BUILDING Policy

The owner will use a one-step application process. At application, the family must provide all of the information necessary to establish family eligibility and the amount of rent the family will pay.

Families may obtain application forms from the administration office or the Barnett Building onsite office at 32 West Pearl Street, Albion, PA during normal business hours. Families may also request—by telephone or by mail—that an application form be sent to the family via first class mail.

Applicants may also apply online at [www.eriecountyhousing.org](http://www.eriecountyhousing.org).

Completed applications must be returned to the administration office or Barnett Building office by mail, electronically, or submitted in person during normal business hours. Applications must be filled out completely in order to be accepted by Barnett Building for processing. If an application is incomplete, Barnett Building will notify the family of the additional information required.

Applications may be made in person during specified dates and business hours posted at Barnett Building offices at the following location(s):

**Monday thru Thursday 7:30 to 4:00**

**Friday 8:00 to 11:00**

**Erie County Housing Authority  
Administration Building  
120 South Center Street  
Corry, PA 16407**

**Or:**

**Barnett Building  
32 West Pearl Street  
Albion, PA 16401**

Completed applications will be dated, time-stamped upon receipt, and referred to Barnett Building' administration office where resident selection and assignment is processed.

Individuals who are unable to complete an application in person may contact Barnett Building at **814-756-5294** to make special arrangements to complete their application. If the applicant is visually impaired, or has limited English proficiency (LEP), all notices will be made available in a format understandable by the applicant.

All adult applicants will be given the opportunity to complete Form HUD-92006, Supplement to Application for Federally Assisted Housing, at the time of application and annually at recertification.

## **2-E. ACCESSIBILITY OF THE APPLICATION PROCESS**

The owner must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the standard Barnett Building application process.

Barnett Building must provide reasonable accommodation as needed for persons with disabilities to make the application process fully accessible. The facility where applications are accepted and the application process must be fully accessible, or Barnett Building must provide an alternate approach that provides equal access to the program.

## Chapter 3

### WAITING LIST PROCEDURES

#### 3-A. PLACEMENT ON THE WAITING LIST

Barnett Building must review each completed application received and make a preliminary assessment of the family's eligibility. Areas to be reviewed include requirements for income, household size/composition, student status, special status requirements such as age or disability status if needed, and criminal history. Applicants for whom the waiting list is open must be placed on the waiting list unless Barnett Building determines the family is ineligible.

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. When the family is selected from the waiting list, Barnett Building will verify any preferences claimed, if applicable, and determine eligibility and suitability for admission to the program.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list.

#### **Ineligible for Placement on the Waiting List**

##### BARNETT BUILDING Policy

When a family reaches the top of the waiting list, an eligibility determination will be made. If a family is determined to be ineligible, they will be notified, in writing, of the determination.

The written notice will specify the reasons for ineligibility and will inform the family of its right to respond to the owner in writing or request a meeting within 14 days to dispute the rejection. The notice will state that applicants who are persons with disabilities have the right to request a reasonable accommodation.

#### **Eligible for Placement on the Waiting List**

##### BARNETT BUILDING Policy

Barnett Building will send written notification of the eligibility determination when they reach the top of the waiting list and the determination is made.

### **3-B. PREFERENCES [HUD Handbook 4350.3, REV-1, CHG-4, Section 4-6; 24 CFR 5.655(c); Notice H 2013-21]**

Owners must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that Barnett Building will use, if any. Barnett Building is designated by HUD to serve elderly and disabled households. Owners are permitted, but not required to, establish local preferences as long as they are subordinate to any program-specific preferences. Preferences do not guarantee admission. Owners must inform all applicants about any available preferences and give all applicants the opportunity to show they qualify for available preferences. While HUD rules currently include four types of preferences, Section 8 properties may only implement owner-adopted preferences or state and local preferences. Owners may implement owner-adopted preferences outside of those cited in the regulations, such as a preference for homeless families [Notice H 2013-21]. If a homeless preference is adopted, it must be included in this TSP, which must then be submitted to HUD for approval.

#### **Definitions**

A displaced family is a family in which each member, or whose sole member, has been displaced by government action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws.

#### BARNETT BUILDING Policy

Preferences as approved by HUD:

- The regulatory requirement to give preference to families displaced by a presidentially declared natural disaster.
- Local Preference (resides in Erie County, PA)
- Domestic Violence (must provide Protection from Abuse Order)
- Displaced Person(s) (must provide proof)

All other approved elderly or disabled applicants will be housed based solely on the date and time of their application.

### **3-C. INCOME TARGETING REQUIREMENT [HUD Handbook 4350.3, REV-1, CHG-4, Section 4-25]**

HUD requires owners with Section 8 units to ensure that during a fiscal year at least 40 percent of the dwelling units assisted under the contract that become available, together with initial certification of in-place families (with the exception of in-place residents at the time of a RAD conversion), be extremely low-income (ELI) families. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher [FR notice 6/25/14]. To ensure this requirement is met, Barnett Building may skip non-ELI families on the waiting list in order to select an ELI family.

Current households in properties converting to PBRA under RAD are not subject to income targeting provisions at the time of conversion.

#### BARNETT BUILDING Policy

Barnett Building will monitor progress in meeting the ELI requirement throughout the fiscal year. ELI families will be selected ahead of other eligible families on an as-needed basis to ensure that the income targeting requirement is met.

### **3-D. OPENING AND CLOSING THE WAITING LIST**

Should the wait for one or more bedroom size become excessive, Barnett Building can, at their discretion, close the waiting list and no longer accept applications.

#### BARNETT BUILDING Policy

Should the wait for one or more bedroom size become excessive, Barnett Building can, at their discretion, close the waiting list and no longer accept applications.

When the waiting list is closed, Barnett Building will make the public aware of the waiting list closing through the advertising and notification procedures outlined in the HUD-approved Affirmative Fair Housing Marketing Plan (AFHMP), and will state the reasons for closing the waiting list. Should Barnett Building close the list, Barnett Building will refuse to take additional applications.

When Barnett Building reopens the waiting list for one or more bedroom sizes, it will again notify the public in the manner outlined in the AFHMP. This notification will be extensive and will state how, when, and where to apply for an apartment and how applications will be added to the waiting list.

### **3-E. UPDATING THE WAITING LIST [HUD Handbook 4350.3, REV-1, CHG-4, Section 4-18]**

Whenever a change is made in the waiting list, an action is taken, or an activity specific to an applicant occurs, a notation must be made on the waiting list.

#### BARNETT BUILDING Policy

At the time of initial application, Barnett Building will advise families in writing that they are responsible for notifying Barnett Building in writing when their circumstances, mailing address, phone numbers, or other means of contact change. If an applicant fails to provide these updates, and Barnett Building cannot contact the applicant, they will be removed from the waiting list.

Any time contact is made, an action is taken, or any activity occurs that is specific to an application, a notation will be made on the waiting list.

### **3-F. SELECTION FROM THE WAITING LIST**

Waiting lists will be divided into sub-lists based upon unit size, unit type, and accessibility features needed. By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application, higher preference status, or preceding lottery number. Further, all selections from the waiting list will be made considering income targeting requirements.

#### BARNETT BUILDING Policy

Barnett Building will select applicants from the waiting list according to the date and time of application, on a first-come, first-served basis.

### **3-G. APPLICANT INTERVIEW [HUD Handbook 4350.3, REV-1, CHG-4, Section 4-24]**

When an appropriate unit will be available in the near future, Barnett Building must interview the applicant family to obtain current information about the family's circumstances. All information listed in Chapter 4 of the HUD Handbook 4350.3 must be discussed.

#### BARNETT BUILDING Policy

As applicants approach the top of the waiting list, they will be contacted by telephone or first class mail to schedule an interview to complete their applicant file. Applicants who fail to attend their scheduled interview or fail to reply to the letter will have their applications removed from the waiting list, subject to reasonable accommodation for persons with disabilities.

## Chapter 4

### PROJECT ELIGIBILITY

Program eligibility determines whether applicants are eligible for assistance, while project eligibility establishes whether applicants are eligible to reside in the specific project to which they have applied. Project eligibility may be affected by:

- Whether some or all of the units in the project are designated for specific family types
- Project-specific occupancy standards (See Section 4-C)

Whether some or all of the units in the project are layered with other programs and therefore may have different requirements

#### **Definitions**

- A. Family Status – All households must have a Head of Household, or coheads of household. Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status [Notice H 2015-06].
1. An elderly family, which is:
    - a. A family whose head, spouse, or co-head is at least 62 years of age;
    - b. Two or more persons who are at least 62 years of age living together; or
    - c. One or more persons who are at least 62 years of age living with one or more live-in aides; or
  2. A near-elderly family, which is:
    - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
    - b. Two or more persons who are at least 50 years of age but below the age of 62 and living together; or
    - c. One or more persons who are at least 50 years of age but below the age of 62, living with one or more live-in aide.
  3. A disabled family, which is:
    - a. A family whose head, spouse, co-head or sole member is a person with a disability;
    - b. Two or more persons with disabilities living together; or
    - c. One or more persons with disabilities living with one or more live-in aides.
    - d. For purposes of qualifying for low-income housing, HUD does not include a person whose disability is based solely on any drug or alcohol dependence.
  4. The remaining member of a tenant family.

#### **4-A. PROJECT-SPECIFIC REQUIREMENTS [HUD Handbook 4350.3, REV-1, CHG-4, Chapter 3, Section 2]**

Barnett Building is required to define if the property is designated for a special population, such as elderly or disabled.

##### BARNETT BUILDING Policy

Barnett Building has been designated by HUD to serve elderly and disabled households. *Elderly and disabled households* are households in which the head of household, spouse, or co-head are 62 or older, or disabled.

#### **4-B. INCOME ELIGIBILITY [24 CFR 5.653; HUD Handbook 4350.3, REV-1, CHG-4, Section 3-6, Figure 3-3]**

##### **Income Limits**

HUD is required by law to establish income limits that determine the income eligibility of applicants for HUD's assisted housing programs, including the PBRA program. The income limits are published annually and are based on HUD estimates of the median incomes for families of different sizes in a particular area or county. Income limits are determined by HUD program type.

##### **Types of Low-Income Families**

*Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

*Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

*Extremely low-income family.* A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

## Using Income Limits for Eligibility

Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD's published income limits. To be income eligible, the household's annual income does not exceed applicable program income limits, a copy of which will be available upon request.

### 4-C. OCCUPANCY STANDARDS [HUD Handbook 4350.3, REV-1, CHG-4, Section 3-23]

In selecting a family to occupy a particular unit, Barnett Building may match characteristics of the family with the type of unit available, for example, number of bedrooms [24 CFR 5.655(b)(4)]. HUD does not specify the number of persons who may live in units of various sizes. Although Barnett Building does determine the size of unit the family qualifies for under the occupancy standards, Barnett Building does not determine who shares a bedroom/sleeping room. Occupancy standards will be applied in a manner consistent with fair housing requirements. Applicants will be housed in a unit size appropriate for their household.

---

Live-in aides and foster children and adults are considered members of the household, not the family. While the income and assets of these household members are excluded when determining initial eligibility, all members of the household, including foster children and adults and any live-in aides, are considered for purposes of unit size. HUD defines a foster adult as a member of the household who is 18 years or older and meets the definition of a foster adult under state law. State-level agencies define who is considered a foster adult/child, so the classification may vary from state to state. In general, a foster adult is unable to live independently due to a debilitating physical or mental condition and is placed with the family by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

HUD defines a foster child as a member of the household who meets the definition of a foster child under state law. In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgment, decree, or other order of any court of competent jurisdiction.

In accordance with HUD Handbook 4350.3, REV-1, CHG 4, household members include, but are not limited to the following:

- All full-time family members
- All anticipated children, defined as the following:
  - Children expected to be born to a pregnant woman
  - Children in the process of being adopted by an adult family member
  - Children whose custody is being obtained
  - Foster children who will reside in the unit
  - Children who are temporarily in a foster home who will return to the family

- Children in joint custody arrangements who are present in the household 50 percent or more of the time
- Children who are away at school and who live at home during recesses
- Live-in aides
- Foster adults living in the unit

BARNETT BUILDING Policy

Barnett Building will reference the following standards in determining the appropriate unit bedroom size for a family:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
1 BR	1	2
2 BR	2	4

The family may only be on the waiting list for one bedroom size. For example, if the family qualifies for both a one- and a two-bedroom waiting list, the family may not be on both lists. Once the family selects a bedroom size, they may not switch to a different bedroom size waiting list unless they experience a qualifying event such as birth, adoption, or court-awarded custody of a child.

**RAD Requirements [Notice H 2019-09]**

If at the time of conversion, an eligible family assisted under the HAP contract is occupying a unit that is larger than appropriate because of the family's composition, the family will be permitted to continue to occupy the unit until an appropriate-sized unit becomes available in the project. When an appropriate-sized unit becomes available, the family living in the under-occupied unit must move to the appropriate-sized unit within 30 days.

## Chapter 5

### PROGRAM ELIGIBILITY

Barnett Building is responsible for ensuring that every individual and family admitted to the program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted. The family must provide any information needed by Barnett Building to confirm eligibility and determine the level of the family's assistance.

In addition to meeting the requirements listed in this section, in order to be eligible:

The unit for which the applicant household is applying will be the household's sole place of residence.

At the time of admission, the applicant may not be receiving rental assistance in another unit unless that assistance will be terminated at the time of admission.

#### **RAD Requirements [Notice H 2019-09]**

Pursuant to RAD statute, at conversion, current households are not subject to rescreening. Consequently, current households will be grandfathered for conditions that occurred prior to conversion, but will be subject to any ongoing eligibility requirements for actions that occur after conversion.

#### **5-A. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [HUD Handbook 4350.3, REV-1, CHG-4, Section 3-12; 24 CFR 5, Subpart E]**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with Barnett Building's Limited English Proficiency (LEP) Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen, or an ineligible noncitizen, and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously assisted occupancy [24 CFR 5.508(g)(5)].

## **Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals, and eligible noncitizens, the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 years of age or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

### **Timeframes for Submitting Evidence of Citizenship/Immigration Status to the Owner**

1. Applicants must submit required documentation of citizenship/immigration status no later than the date the owner initiates verification of other eligibility factors. Because of the prohibition against delaying assistance to obtain verification of citizenship/immigration status, owners are advised to implement procedures to verify eligible immigration status in advance of other verification efforts.
2. If the applicant cannot supply the documentation within the owner's specified timeframe, the owner may grant the applicant an extension of not more than 30 days, but only if the applicant certifies that the documentation is temporarily unavailable and additional time is needed to collect and submit the required documentation. Although the extension period may not exceed 30 days, the owner may establish a shorter extension period based on the circumstances of the individual case.
3. The owner must inform the applicant in writing if an extension request is granted or denied. If the request is granted, the owner must include the new deadline for submitting the documentation. If the request is denied, the owner must state the reasons for the denial in the written response. When granting or rejecting extensions owners must treat applicants consistently.

### ***U.S. Citizens and Nationals***

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit Barnett Building to request additional documentation of their status, such as a birth certificate or U.S. passport.

#### **BARNETT BUILDING Policy**

Family members who declare U.S. citizenship or U.S. national status will not be required to provide additional documentation unless Barnett Building receives information indicating that an individual's declaration may not be accurate.

### ***Eligible Immigrants***

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

For family members age 62 or older who claim to be eligible immigrants, proof of age is required. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, Barnett Building must verify immigration status with the U.S. Citizenship and Immigration Services (USCIS).

Barnett Building will follow all USCIS protocols for verification of eligible immigration status.

### ***Ineligible Noncitizens***

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. Barnett Building is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

## **5-B. SOCIAL SECURITY NUMBERS [24 CFR 5.216; Notice H 2010-08]**

The family must provide documentation of a valid Social Security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing residents who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

The owner must accept the following documentation as acceptable evidence of the Social Security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

While owners must attempt to gather third-party verification of SSNs prior to admission as listed above, owners also have the option of accepting a self-certification and a third-party document (such as a bank statement, utility or cell phone bill, or benefit letter) with the applicant's name printed on it to satisfy the SSN disclosure requirement if the owner has exhausted all other attempts to obtain the required documentation. If verifying an individual's SSN using this method, the owner must document why the other SSN documentation was not available.

If the tenant's SSN becomes verified in EIV, then no further verification is required. If the tenant's SSN fails the SSA identity match, then the owner must obtain a valid SSN card issued by the SSA or an original document issued by a federal or state government agency that contains the name of the individual and the SSN of the individual, along with other identifying information of the individual. The tenant's assistance must be terminated if they fail to provide the required documentation.

### Barnett Building Policy

Barnett Building will verify an individual's SSN in the situations described above using the method described above as a last resort when no other forms of verification of the individual's SSN are available.

Barnett Building may only reject documentation of an SSN provided by an applicant or resident if the document is not an original document, if the original document has been altered, mutilated, or illegible, or if the document appears to be forged.

For applicant families, if all household members have not disclosed and/or provided verification of SSNs for all household members at the time a unit is available and offered to the household, the next eligible applicant will be offered the available unit. The applicant family that has not disclosed SSNs for all household members must disclose and provide verification of SSNs for all household members within 90 days of the date of they are first offered a unit, during which time, the family may remain on the waiting list. If after 90 days of the first unit offer the applicant has not provided the SSN and verification documentation, the applicant will be determined ineligible and removed from the waiting list.

If an applicant family includes a child under six years of age who joined the household within the six months prior to the date of program admission, an otherwise eligible family may be admitted and must provide documentation of the child's SSN within 90 days. A 90-day extension will be granted if Barnett Building determines that the resident's failure to comply was due to unforeseen circumstances and was outside of the resident's control.

When a resident requests to add a new household member who is at least six years of age, or who is under the age of six and has an SSN, the resident must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. Barnett Building may not add the new household member until such documentation is provided.

When a resident requests to add a new household member who is under the age of six and has not been assigned an SSN, the resident must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if Barnett Building determines that the resident's failure to comply was due to unforeseen circumstances and was outside of the resident's control. During the period Barnett Building is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

Social security numbers must be verified only once during continuously assisted occupancy.

Once the individual's verification status is classified as "verified," the O/A may remove and destroy copies of documentation accepted as evidence of Social Security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

#### Barnett Building Policy

Once an individual's status is classified as "verified" in HUD's EIV system, the BB will not remove copies of documentation accepted as evidence of Social Security numbers.

### **5-C. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612; FR Notice 4/10/06; FR Notice 9/21/16; HUD Handbook 4350.3, REV-1, CHG-4, Section 3-13]**

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving Section 8 assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive Section 8 assistance. If, however, a student in these circumstances is determined independent from his or her parents based on the Department of Education's definition of an *independent student*, which has been expanded to include "vulnerable youth" as defined below, the income of the student's parents will not be considered in determining the student's eligibility.

The Department of Education's definition of an *independent student* includes an individual who meets one or more of the following criteria:

- The individual is 24 years of age or older by December 31 of the award year
- The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or a ward of the court at any time when the individual was 13 years of age or older
- The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence
- The individual is a veteran of the Armed Forces of the United States or is currently serving on active duty in the Armed Forces for other than training purposes
- The individual is a graduate or professional student
- The individual is married
- The individual has legal dependents other than a spouse
- The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting, by:
  - A local educational agency homeless liaison;
  - The director of a program funded under the Runaway and Homeless Youth Act or a designee of the director;
  - The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act (relating to emergency shelter grants) or a designee of the director; or
  - A financial aid administrator
- The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances.

The law does not apply to students who reside with parents who are applying to receive Section 8 assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

If a student is applying for assistance on his/her own, apart from his/her parents, Barnett Building must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, Barnett Building must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, (3) the "family" with which the student is applying is collectively eligible for the program. (4) Be of legal contract age under state law (5) Have established a household separate from parents or legal guardians for at least one year prior to application for occupancy, or, meet the U.S. Department of Education's definition of an independent student. (See the Glossary for definition of Independent Student);

(6) Not be claimed as a dependent by parents or legal guardians pursuant to IRS regulations; (7) Obtain a certification of the amount of financial assistance that will be provided by parents, signed by the individual providing the support.

#### **5-D. FAMILY CONSENT TO RELEASE OF INFORMATION [HUD Handbook 4350.3, REV-1, CHG-4, Section 5-12 Notice H 2023-10]**

The family must supply any information that Barnett Building or HUD determines is necessary to the administration of the program and must consent to BARNETT BUILDING verification of that information.

All adult family members (and the head and spouse/cohead, regardless of age) are required to sign the Consent to Release of Information Forms HUD-9887 and 9887-A at admission.

On or after January 1, 2024, current residents must sign and submit a new Form HUD-9887 and 9887-A at their next interim or annual reexamination. This form will only be signed once. Another Form HUD-9887 and 9887-A will not be submitted to the owner except under the following circumstances:

- When any person 18 years or older becomes a member of the family;
- When a current member of the family turns 18; or
- As required by HUD or the O/A in administrative instructions.

The owner has the discretion to establish policies around when family members must sign consent forms when they turn 18. O/As must establish these policies stating when family members will be required to sign consent forms at intervals other than at recertification.

##### BARNETT BUILDING Policy

Household members turning 18 years of age between annual recertifications will be notified in writing that they are required to sign the required Consent to the Release of Information Forms HUD-9887 and 9887A within ten days of turning 18 years of age.

The owner may obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the owner determines the record is needed to establish an applicant's or participant's eligibility for assistance or level of benefits [24 CFR 5.230(c)(4)].

The executed form will remain effective until the family is denied assistance, assistance is terminated, or the family provides written notification to the owner to revoke consent.

All adult members must also sign all owner-created individual verification forms. If any family member who is required to sign a consent form fails to do so, Barnett Building will deny admission to applicants or terminate the assistance of tenants.

However, this does not apply if the applicant, participant, or any member of their family, revokes their consent with respect to the ability of the O/A to access financial records from financial institutions, unless the O/A establishes a policy that revocation of consent to access financial records will result in denial or termination of assistance or admission [24 CFR 5.232(c)]. O/As may not process interim or annual reexaminations of income without the family's executed consent forms.

#### Barnett Building Policy

BB has established a policy that revocation of consent to access financial records will result in denial of admission or termination of assistance in accordance with BB policy.

In order for a family to revoke their consent, the family must provide written notice to BB.

Within 10 business days of the date the family provides written notice, BB will send the family a notice acknowledging receipt of the request and explaining that revocation of consent will result in denial or termination of assistance, as applicable. At the same time, the BB will notify their local HUD office.

## Chapter 6

### SCREENING CRITERIA

Screening is the determination that an otherwise eligible household has the ability to pay rent on time and meet the requirements of the lease. Owners are required to establish written screening criteria to prohibit admission of certain individuals and are permitted to establish additional written screening criteria to determine whether applicants will be suitable tenants.

Live-in aides are screened using the same requirements listed for applicants, with the exception of any criteria involving credit or ability to pay rent.

The cost of screening must not be charged to applicants.

#### **RAD Requirements [Notice H 2019-09]**

As stated in Chapter 5, pursuant to RAD statute, at conversion, current households are not subject to rescreening provisions. Current households will be grandfathered for conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.

#### **6-A. REQUIRED DENIAL OF ADMISSION [HUD Handbook 4350.3, REV-1, CHG-4, Section 4-7; 24 CFR Part 5, Subpart I]**

HUD requires owners to deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity. HUD permits but does not require Barnett Building to admit an otherwise-eligible family if the household member has completed an owner-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

##### BARNETT BUILDING Policy

Barnett Building will admit an otherwise-eligible family who was evicted from federally assisted housing within the past three years for drug-related criminal activity, if Barnett Building is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by Barnett Building, or the person who committed the crime is no longer living in the household.

- Barnett Building determines that any household member is determined to be currently engaged in the illegal use a controlled substance (e.g., marijuana). A controlled substance is defined in section 102 of the Controlled Substances Act [21 U.S.C. 802].

##### BARNETT BUILDING Policy

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

- Barnett Building has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

BARNETT BUILDING Policy

In determining reasonable cause, Barnett Building will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. A record of arrests will not be used as the basis for the denial or proof that the applicant engaged in disqualifying criminal activity. Barnett Building will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member is subject to a lifetime registration requirement under a state sex offender registration program.

BARNETT BUILDING Policy

At the time of application processing, Barnett Building will screen all applicants and household members for state sex offender registration in all states where the applicant and members of the applicant's household have resided using the Dru Sjodin National Sex Offender Database (<http://www.nsopw.gov>).

If it is determined that a household member is subject to a state lifetime sex offender registration requirement, the household will be denied, or assistance will be terminated, unless the ineligible household member is removed from the household. For applicant households, the ineligible household member must be removed from the application, or the application will be denied.

Barnett Building will screen all household members for state sex offender registration and all adult household members for criminal history at the time of each resident's annual recertification. Should there be any evidence that any member of the applicant/resident household is subject to a state lifetime sex offender registration program or that any prior records have been falsified or not properly disclosed, or that a criminal history is discovered that violates the above policies in effect at the time of the annual recertification, the resident's lease may be immediately terminated or the family will be given the opportunity to remove the offender from the household.

In the cases listed above, proof that the ineligible member has been removed from the household must be provided to management. This would include (1) executing a new lease without the ineligible household member, or (2) established utility account at another address, or (3) verification of a change in address from the U. S. Postal Service for the ineligible member.

- Any member of the family fails to sign and submit consent forms for obtaining information.
- The family does not meet the restrictions on net assets and real property ownership as required by 24 CFR 5.618.

## 6-B. ASSET LIMITATION [24 CFR 5.618]

There are two circumstances under which a family is ineligible to receive assistance based on asset ownership.

First, assistance may not be provided to any family if the family's net assets exceed \$100,000 (adjusted annually by HUD).

Second, the family has real property (as defined under state law in which the property is located) that is suitable for occupancy by the family as a residence and the family has:

- A present ownership interest in the real property; and
- A legal right to reside in the real property; and
- The effective legal authority to sell (based on state or local laws of the jurisdiction where the property is located) the real property.

The owner does not have the discretion not to enforce or provide limited enforcement of the asset limitation at admission. However, the real property restriction does not apply in the following circumstances:

- Any property for which the family is receiving assistance for a manufactured home under [24 CFR 982.620](#) or under the HCV Homeownership program;
- Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
- Any family that is offering the property for sale; or
- Any person who is a victim of domestic violence, dating violence, sexual assault, or stalking.
  - When a family asks for an exception because a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the owner must comply with all the confidentiality requirements under the Violence Against Women Act (VAWA). The owner must accept a self-certification from the family member, and the restrictions on requesting documentation under VAWA apply.

A property is considered *suitable for occupancy* unless the family demonstrates that it:

- Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);
- Is not sufficient for the size of the family;

### Barnett Building Policy

Barnett Building defines *not sufficient for the size of the family* as being overcrowded based on the BB's occupancy standards in Chapter 4 of this policy.

- Is geographically located so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the owner.);

Barnett Building Policy

In general, the BB defines *a geographic hardship* to include when a family members' work, school, health care provider, or other necessary service is located an unreasonable distance from the real property or there is a lack of adequate transportation options for the family to access work, school, health care, or other necessary services. The BB will consider circumstantial details a family faces when determining whether a geographical hardship is present.

- Is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
- Is not a property that a family may reside in under the state or local laws of the jurisdiction where the property is located.

If a family meets one of the above exceptions, the real property is not automatically excluded from the calculation of net family assets. Unless the real property is specifically excluded from net family assets as described in 24 CFR 5.603, it will be included in net family assets. If the value of that real property brings the net family assets above \$100,000 (as adjusted for inflation), the family is out of compliance with the asset limitation.

**Asset Limitation for Residents**

The owner has discretion with respect to the application of the asset limitation at annual and interim recertification. The owner may adopt a written policy of total nonenforcement, enforcement, or limited enforcement as well as adopting exception policies.

Barnett Building Policy

Barnett Building has adopted a policy of total nonenforcement of the asset limitation for all residents. The asset limitation only applies to initial eligibility determinations.

## 6-C. OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION

Barnett Building is responsible for screening family behavior and suitability for tenancy.

### BARNETT BUILDING Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past three years, the family will be denied admission:

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Criminal activity that may threaten the health, safety, or welfare of other tenants

Criminal activity that may threaten the health or safety of BARNETT BUILDING staff, contractors, subcontractors, or agents.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse.

Evidence of such criminal activity includes, but is not limited to any record of convictions, arrests, or evictions for suspected drug-related or violent criminal activity of household members within the past three years. A conviction for such activity will be given more weight than an arrest or an eviction. A record of arrest will not be used as the basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

Barnett Building will deny admission to an applicant family if Barnett Building determines that the family:

Has a pattern of unsuitable past performance in meeting financial obligations, including rent within the past three years

Has a pattern of disturbance of neighbors, destruction of property, or living or housekeeping habits at prior residences within the past three years which may adversely affect the health, safety, or welfare of other tenants

Has a pattern of eviction from housing or termination from residential programs within the past three years (considering relevant circumstances)

Owes rent or other amounts to this or any other owner or PHA in connection with any assisted housing program

Misrepresented or does not provide complete information related to eligibility, including income, award of preferences for admission, expenses, family composition, or rent

Has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program

Has engaged in or threatened violent or abusive behavior toward BARNETT BUILDING personnel

*Abusive or violent behavior towards BARNETT BUILDING personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

## 6-D. CONSIDERATION OF CIRCUMSTANCES

HUD authorizes owners to consider all relevant circumstances when deciding whether to deny admission based on a family's history except in the situations for which denial of admission is mandated.

In the event Barnett Building receives unfavorable information with respect to an applicant, consideration must be given to the time, nature, and extent of the applicant's conduct (including the seriousness of the offense). In a manner consistent with its policies, Barnett Building may give consideration to factors that might indicate a reasonable probability of favorable future conduct.

### BARNETT BUILDING Policy

Barnett Building will consider the following facts and circumstances prior to making its decision:

- The seriousness of the case, especially with respect to how it would affect other residents' safety or property

- The effects that denial of admission may have on other members of the family who were not involved in the action or failure to act

- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or a victim of domestic violence, dating violence, sexual assault, or stalking

- The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

- While a record of arrests will not be used as the basis for denial, an arrest may, however, trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, Barnett Building may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. Barnett Building may also consider:

  - Any statements made by witnesses or the applicant not included in the police report

  - Whether criminal charges were filed

  - Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

  - Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity

  - Evidence of criminal conduct, if it indicates a demonstrable risk to safety or property

  - Evidence of the applicant family's participation in or willingness to participate in social service or other appropriate counseling service programs

In the case of drug or alcohol abuse, Barnett Building will consider whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully.

Barnett Building will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Further, Barnett Building acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under Barnett Building's policies.

While Barnett Building is not required to identify whether adverse factors that resulted in the applicant's denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform Barnett Building in accordance with Chapter 8 of this TSP that their status as a victim is directly related to the grounds for the denial. Barnett Building will request that the applicant provide enough information to Barnett Building to allow Barnett Building to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

### **Removal of a Family Member's Name from the Application**

#### BARNETT BUILDING Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon Barnett Building request.

If the family certifies the culpable family member will not be permitted to visit or stay as a guest in the assisted unit, and then does allow that culpable person to visit or stay in the unit, the family will be considered in violation of the property's policies, and subject to eviction.

### **Reasonable Accommodation**

#### BARNETT BUILDING Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of admission, Barnett Building will determine whether the behavior is related to the disability. If so, upon the family's request, Barnett Building will determine whether alternative measures are appropriate as a reasonable accommodation. Barnett Building will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of admission.

## **6-E. CREDIT HISTORY**

### BARNETT BUILDING Policy

Barnett Building will not consider credit history as a determining factor for admission.

## **6-F. RENTAL HISTORY**

### BARNETT BUILDING Policy

In order to determine the suitability of applicants, Barnett Building will examine applicant history for the past three years.

Any one of the following by any household member listed on the application may result in rejection of the application:

Any history that the applicant has moved out of a residence owing a balance

Any eviction from a previous residence in the last three years, including but not limited to eviction from federally assisted housing for drug-related criminal activity

Four or more late payments of rent within a 12-month period from a current or previous residence

Any one report that the applicant, or his or her household members or guests, were destructive to the unit or common areas at a current or previous residence

Any one report that the applicant has or had poor housekeeping habits from a current or previous residence

Any one report that the applicant caused or was involved in disturbances at a current or previous residence

Any one report that the applicant did not abide by the rules and regulations at a current or previous residence

The O/A will also consider utility company references covering the monthly amount of utilities, late payment, disconnection, return of a utility deposit, and whether the applicant can get utilities turned on in their name. (Use of this inquiry will be reserved for applicants applying for units where there are tenant-paid utilities.)

If an applicant has no rental payment history, Barnett Building will check court records of eviction actions and other financial judgments. A lack of rental history will not disqualify someone from becoming a resident, but a poor rental history may.

Applicants with no rental payment history will also be asked to provide the owner with personal references. The references will be requested to complete a verification of the applicant's ability to pay rent if no other documentation of ability to meet financial obligations is available. The applicant will also be required to complete a checklist documenting their ability to meet financial obligations.

The owner will conduct housekeeping inspections.

## **6-G. EXISTING TENANT SEARCH**

As part of the application review process, HUD requires that owners use the EIV system to determine if the applicant or any member of the applicant household is currently receiving HUD assistance. The Existing Tenant Search will indicate if an applicant or any member of the household is currently receiving subsidy at another community. This report will be printed and maintained in the application file in accordance with HUD's recordkeeping requirements.

### BARNETT BUILDING Policy

If the EIV Existing Tenant Search reveals that the applicant or a member of the applicant's household is currently receiving HUD rental assistance at another residence, Barnett Building must follow up first with the resident to discuss the details of their circumstances, and then with the respective owner or PHA to confirm the individual's program participation status prior to admission.

Barnett Building will also attempt to coordinate move-out and move-in dates with the resident and the respective owner or PHA at the other location.

In addition, applicants will be verbally notified that rental assistance will not be provided for the new unit until the day after assistance stops in the current residence, as identified in TRACS.

## **6-H. MISREPRESENTATION OF INFORMATION**

An application will be rejected if during the course of processing it becomes evident that an applicant or any applicant household member has falsified or otherwise misrepresented any facts about his or her current situation, history, or behavior in a manner that would affect eligibility or applicant selection criteria qualifications, including preferences, income, assets, allowances, or rent. This provision shall not be applied to minor and unintentional mistakes that produce no benefit to the applicant.

## Chapter 7

### UNIT TRANSFER POLICY

#### 7-A. TRANSFER REQUESTS

Owners are required to develop written unit transfer policies in the TSP that include transfer waiting lists, acceptable reasons for transfers, procedures for filling vacancies, and whether unit transfers take priority over applicants from the property waiting list.

Barnett Building' transfer policy must be reasonable, must ensure that families are not discriminated against based on race, color, religion, sex, national origin, age, familial status, and disability, and must be applied consistently.

#### BARNETT BUILDING Policy

Residents requesting a transfer to another unit will be required to submit a written request for transfer.

In case of a reasonable accommodation transfer, Barnett Building will encourage the resident to make the request in writing using a reasonable accommodation request form. However, Barnett Building will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

Barnett Building will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, or by requiring more information or documentation from the family, such as documentation of domestic violence, dating violence, sexual assault, or stalking.

Barnett Building will respond within ten business days of the submission of the family's request.

The resident will be housed in the next available appropriately sized vacant unit, when they reach the top of the transfer waiting list. The resident understands that this unit will become their permanent residence unless there is a future change in household size or composition.

## 7-B. TYPES OF TRANSFERS

### BARNETT BUILDING Policy

The following are the only instances in which a transfer will be approved:

#### **Emergency Transfers**

Maintenance conditions in the resident's unit, building, or at the site that pose an immediate, verifiable threat to the health or safety of the resident or family members that cannot be repaired or abated within 24 hours. Unit is uninhabitable through no fault of the resident (i.e., fire, flood, tornado, etc.), and emergency transfers under VAWA.

#### **Uninhabitable Unit**

If there is no vacant unit available in the case of an uninhabitable unit, the resident will be directed to the Red Cross or other appropriate agencies for temporary housing, then rehoused in their original unit after all repair work has been completed.

If more than one resident is displaced due to a fire, flood, tornado, etc., households will be placed in appropriately sized vacant units in order of initial move-in date. If no vacant units are available, the same procedures will be followed as described above.

#### **Violence Against Women Act (VAWA)**

For a verified incident of domestic violence, dating violence, sexual assault, or stalking. For instances of domestic violence, dating violence, sexual assault, or stalking, the threat may be established through documentation outlined in Chapter 8. In order to request the emergency transfer, the requestor must submit an emergency transfer request form (HUD-5383), although, the owner may, on a case-by-case basis, waive this requirement and accept a verbal request in order to expedite the transfer process. If the owner accepts an individual's statement, the owner will document acceptance of the statement in the individual's file in accordance with Chapter 8 of this TSP

Barnett Building will immediately process requests for transfers due to domestic violence, dating violence, sexual assault, or stalking. Barnett Building will allow a tenant to make an internal emergency transfer under VAWA when a safe unit is immediately available. Barnett Building defines *immediately available* as a vacant unit that is ready for move-in within a reasonable period of time.

Barnett Building has adopted an emergency transfer plan, which is included as Exhibit 8-1 to this plan.

These transfers are mandatory.

## **BARNETT BUILDING-Required Transfers**

The types of transfers that may be required by Barnett Building include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply with occupancy standards, and transfers for demolition, disposition, revitalization, or rehabilitation.

Transfers required by Barnett Building are mandatory.

### **Transfers to Make an Accessible Unit Available**

When a non-accessible unit becomes available, Barnett Building will transfer a family living in an accessible unit that does not require the accessible features to an available unit that is not accessible. Barnett Building may wait until a disabled resident requires the accessible unit before transferring the family that does not require the accessible features out of the accessible unit.

If a resident is required to transfer to make an accessible unit available, the resident has 30 days after they have been notified that an appropriately sized unit is available for them. If they do not move within that time frame, they are required to pay full market rent in their current unit.

### **Occupancy Standards Transfers**

Barnett Building will transfer a family when the family size has changed and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied.

Barnett Building may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of an appropriate size based on Barnett Building' occupancy standards when Barnett Building determines there is a need for the transfer.

Families that request and are granted an exception to the occupancy standards (for either a larger or smaller size unit) will only be required to transfer if it is necessary to comply with the approved exception.

If a resident is required to transfer due to a change in household composition, the resident has 30 days after they have been notified that an appropriately sized unit is available for them. If they do not move within that time frame, they are required to pay full market rent in their current unit.

### **Transfers for Medical Reasons**

The owner will transfer a family to alleviate verified medical problems.

### **Transfers for Demolition, Disposition, Revitalization, or Rehabilitation**

For households temporarily displaced due to a project involving demolition, disposition, revitalization, or rehabilitation of their current unit, Barnett Building will comply with all requirements in the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

## **RAD Requirements**

For households displaced as a direct result of the owner planning or implementing resident moves due to a conversion of a public housing project under RAD, the owner will comply with all requirements in the RAD Civil Rights – Relocation Notice H 2016-17.

## **Transfers Requested by Residents**

The types of requests for transfers from residents that Barnett Building will consider are limited to requests for transfers to alleviate a serious or life-threatening medical condition, VAWA transfers, and reasonable accommodation, unit transfer for a medical reason certified by a doctor; or A unit transfer based on the need for an accessible unit. No other transfer requests will be considered by Barnett Building.

Should a resident request a unit transfer as a reasonable accommodation, Barnett Building will pay the cost of the physical move for the resident as long as doing so does not place an undue financial and administrative burden upon Barnett Building.

## **7-C. TRANSFER LIST**

### BARNETT BUILDING Policy

Emergency transfers will not automatically go on the transfer list. Instead, emergency transfers will be handled immediately, on a case-by-case basis. If the emergency cannot be resolved by a temporary accommodation, and the resident requires a permanent transfer, the family will be placed at the top of the transfer list.

Transfers will be processed in the following order:

1. Emergency transfers (hazardous maintenance conditions, VAWA)
2. High-priority transfers (verified medical condition, and reasonable accommodation)
3. Transfers to alleviate verified medical problems of a serious or life-threatening nature
4. Transfers to make accessible units available
5. Demolition, renovation, etc.
6. Occupancy standards
7. Other owner-required transfers

Within each category, transfers will be processed in order of the date a family was placed on the transfer list, starting with the earliest date.

Transfers will take precedence over waiting list admissions. Existing residents approved to receive Section 8 assistance will also be given priority over external applicants when allocating available Section 8 assistance slots.

## Chapter 8

### THE VIOLENCE AGAINST WOMEN ACT (VAWA)

#### 8-A. OVERVIEW

The Violence against Women Reauthorization Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault, and stalking who are applying for or receiving assistance under the PBRA program. If state or local laws provide greater protection for such victims, those apply in conjunction with VAWA.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA. In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

In addition to definitions of key terms used in VAWA, this chapter contains general VAWA requirements and Barnett Building's policies in three areas: notification, documentation, and confidentiality, as well as Barnett Building's Emergency Transfer Plan required under VAWA 2013.

#### 8-B. DEFINITIONS [24 CFR 5.2003]

As used in VAWA:

- The term *affiliated individual* means, with respect to a person:
  - A spouse, parent, brother or sister, or child of that individual, or an individual to whom that person stands in the position or place of a parent; or
  - Any individual, tenant or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.
- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship
-

- The term *domestic violence* includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding, and in the case of victim services, includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who is:
  - The current or former spouse or intimate partner of the victim, or person similarly situated to a spouse or intimate partner of the victim
  - A person who is cohabitating or has cohabitated with the victim as a spouse or intimate partner
  - A person with whom the victim shares a child in common
  - A person who commits acts against a youth or adult victim who is protected from those acts under the domestic or family violence laws of the jurisdiction
- The term *economic abuse* means behavior that is coercive, deceptive, or unreasonably controls or restrains a person's ability to acquire, use, or maintain economic resources to which they are entitled, including using coercion, fraud, and manipulation to:
  - Restrict a person's access to money, assets, credit, or financial information
  - Unfairly use a person's personal economic resources, including money, assets, and credit, for one's own advantage
  - Exert undue influence over a person's financial and economic behavior or decisions, including forcing default on joint or other financial obligations, exploiting powers of attorney, guardianship, or conservatorship, or to whom one has a fiduciary duty.
- The term *sexual assault* means:
  - Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent
- The term *stalking* means:
  - To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.
  
- The term *technological abuse* means an act or pattern of behavior that occurs within domestic violence, dating violence, sexual assault, or stalking and is intended to harm,

threaten, intimidate, control, stalk, harass, impersonate, exploit, extort, or monitor another person, except as otherwise permitted by law, that occurs using any form of technology, including but not limited to:

- Internet enabled devices
- Online spaces and platforms
- Computers
- Mobile devices
- Cameras and imaging programs
- Apps
- Location tracking devices
- Communication technologies
- Any other emerging technologies

## **8-C. NOTIFICATION [24 CFR 5.2005(a)]**

### **Notification to Public**

Barnett Building adopts the following policy to help ensure that all actual and potential beneficiaries of its program are aware of their rights under VAWA.

#### BARNETT BUILDING Policy

Barnett Building will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

A copy of form HUD-5380, Notice of Occupancy Rights Under the Violence Against Women Act (Exhibit 8-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation (Exhibit 8-2)

A copy of Barnett Building' emergency transfer plan (Exhibit 8-3)

A copy of Barnett Building' Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 8-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY)

Contact information for local victim advocacy groups or service providers

## **Notification to Applicants and Tenants [24 CFR 5.2005(a)]**

Barnett Building must provide the Notice of Occupancy Rights (HUD-5380) and certification form (HUD-5382) at admission, along with any notice of denial or eviction and during the first 12 months following the effective date of the final rule implementing VAWA 2013 (December 16, 2016).

### BARNETT BUILDING Policy

Barnett Building will provide all applicants with information about VAWA at the time they request an application for housing assistance. Barnett Building will also include such information in all notices of denial of assistance (application rejection).

Barnett Building will provide all tenants with information about VAWA at the time of admission and at annual reexamination. Barnett Building will also include such information in all termination of assistance and termination of tenancy (eviction) notices.

Barnett Building is not limited to providing VAWA information at the times specified in the above policy.

### BARNETT BUILDING Policy

Whenever Barnett Building has reason to suspect that providing information about VAWA to a tenant or affiliated individual might place a victim of domestic violence, dating violence, sexual assault, or stalking at risk, it will attempt to deliver the information by hand directly to the victim, or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, Barnett Building may decide not to send mail regarding VAWA protections to the victim's unit if Barnett Building believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, Barnett Building will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

#### **8-D. VAWA COMPLAINT PROCESSING [Notice FHEO 2023-01]**

A complainant may, not later than one year after an alleged VAWA violation has occurred or terminated, file a complaint with FHEO alleging such violation. If there is a violation that began prior to a year before the complaint is filed, but it continues into the one-year time period, HUD will accept the complaint. FHEO will investigate the complaint if it is timely and FHEO otherwise has jurisdiction. If a complaint is filed more than one year after the alleged violation occurred or terminated, FHEO may, but is not required to, investigate the allegations under the additional authority and procedures described in FHEO 2023-01.

Complaints do not need to allege a violation of the Fair Housing Act for FHEO to accept and investigate the complaint.

##### Barnett Building Policy

Applicants or tenant families who wish to file a VAWA complaint against the owner may notify the owner either orally or in writing.

Barnett Building will advise the family of their right to file a VAWA complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). BB will inform the family that not later than one year after an alleged VAWA violation has occurred or terminated, applicants and tenants who believe they have been injured by a VAWA violation or will be injured by such a violation that is about to occur may file a VAWA complaint using FHEO's online complaint form via mail, email, or telephone.

BB will attempt to remedy complaints made against the BB and will conduct an investigation into all allegations of discrimination.

The BB will keep a record of all complaints, investigations, notices, and corrective actions.

## **8-E. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY**

### **Family Breakup**

Except under the following conditions, Barnett Building has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, Barnett Building must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault, and stalking, see Section 8-E of this plan.)
- If a court determines the disposition of property between members of the assisted family, Barnett Building is bound by the court's determination of which family members continue to receive assistance.

#### BARNETT BUILDING Policy

When a family on the waiting list breaks up into two otherwise eligible families, the victim family may retain the original application date. Other former family members may submit a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while living on the property, the victim family will retain occupancy of the unit.

If a court determines the disposition of property between members of an applicant or resident family, Barnett Building will abide by the court's determination.

In the absence of a judicial decision or an agreement among the original family members, Barnett Building will determine which family will retain their placement on the waiting list or continue in occupancy. In making its determination, Barnett Building will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, including a family member who was forced to leave a public housing unit as a result of such actual or threatened abuse, and provides documentation in accordance with section 8-E of this TSP; (4) any possible risks to family members as a result of criminal activity; and (5) the recommendations of social service professionals.

## **8-F. DOCUMENTATION [24 CFR 5.2007]**

An owner presented with a claim for initial or continued assistance based on status as a victim or threatened victim of domestic violence, dating violence, sexual assault, or stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. Barnett Building may extend this time period at its discretion. However, in the case of conflicting certifications, Barnett Building may require documentation within 30 days from the date of the request [24 CFR 5.2007(a)].

The individual may satisfy Barnett Building' request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

1. A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation)
2. A federal, state, tribal, territorial, or local police report or court record, or an administrative record
3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider, an attorney, a mental health professional, or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

Barnett Building may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [24 CFR 5.2007(b)(2)].

### BARNETT BUILDING Policy

Any request for documentation of domestic violence, dating violence, sexual assault, or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

Barnett Building may, at its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, Barnett Building will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by Barnett Building will be in writing.

Once the victim provides documentation, Barnett Building will acknowledge receipt of the documentation within 10 business days.

A hearing will be held by a third party with experience in adjudicating domestic violence cases, upon mutual agreement by the owner and involved parties, within 10 business days of receipt of documentation. Notification of the outcome of the hearing will be provided in writing to the involved parties within 10 business days of the meeting.

### **Conflicting Documentation [24 CFR 5.2007(b)(2)]**

In cases where Barnett Building receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, Barnett Building may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). Barnett Building may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the PHA. Barnett Building must honor any court orders issued to protect the victim or to address the distribution of property. In cases of conflicting information, Barnett Building may require an applicant or tenant to submit third-party documentation within 30 calendar days of the date of the request for the third-party documentation.

#### BARNETT BUILDING Policy

If presented with conflicting certification documents (two or more forms HUD-5382) from members of the same household, Barnett Building will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(b)(2) and by following any HUD guidance on how such determinations should be made.

If Barnett Building does not receive third-party documentation within the required timeframe (and any extensions), the PHA will deny VAWA protections and will notify the applicant or tenant in writing of the denial.

The individuals requesting relief under VAWA will have 30 calendar days to submit third-party documentation. Barnett Building may, at its discretion, extend the deadline for 10 business days. Any extension granted by Barnett Building will be in writing.

When requesting third-party documents, Barnett Building will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

### **Discretion to Require No Formal Documentation [24 CFR 5.2007(b)(1)(iv)]**

Barnett Building has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

#### BARNETT BUILDING Policy

If Barnett Building accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault, stalking,

or human trafficking, Barnett Building will document acceptance of the statement or evidence in a separate file, away from the resident's file, in a secure place.

**Failure to Provide Documentation [24 CFR 5.2007(a)(2)]**

In order to deny relief for protection under VAWA, Barnett Building must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as Barnett Building may allow, Barnett Building may deny relief for protection under VAWA.

**8-G. CONFIDENTIALITY [24 CFR 5.2007(c)]**

All information provided to Barnett Building regarding domestic violence, dating violence, sexual assault, or stalking, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, must be retained in confidence. This means that Barnett Building (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

BARNETT BUILDING Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, Barnett Building will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

## EXHIBIT 8-1: SAMPLE EMERGENCY TRANSFER PLAN

### Erie County Housing Authority

#### Barnett Building

#### Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

#### Section 8 Project-Based Rental Assistance Program

##### Emergency Transfers

Barnett Building is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),<sup>1</sup> Barnett Building allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.<sup>2</sup> The ability of Barnett Building to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether Barnett Building has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **Section 8 Project-Based Rental Assistance program** is in compliance with VAWA.

---

<sup>1</sup> Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

<sup>2</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

## **Eligibility for Emergency Transfers**

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer, if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

## **Emergency Transfer Request Documentation**

To request an emergency transfer, the tenant shall notify Barnett Building's management office and submit a written request for a transfer to **any Barnett Building office**. Barnett Building will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under Barnett Building's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Barnett Building may allow for a verbal statement/self-certification in certain circumstances. While Barnett Building may request in writing that the victim provide documentation of an occurrence of domestic violence, dating violence, sexual assault, or stalking, third-party documentation may not be required to qualify the tenant for an emergency transfer.

## **Confidentiality**

Barnett Building will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives Barnett Building written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. Any request for protection under VAWA will be kept in a file separate from the resident/unit file, and any requests made under VAWA will not be noted in the resident/unit file. Requests made under VAWA will not be notated in any shared database systems. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about Barnett Building's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

## **Emergency Transfer Timing and Availability**

Barnett Building cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. Barnett Building will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. Barnett Building may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If Barnett Building has no safe and available units for which a tenant who needs an emergency transfer is eligible, Barnett Building will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, Barnett Building will also assist tenants in contacting the local organizations offering assistance

to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

### **Emergency Transfers: PBRA Program**

If you are a resident and request an emergency transfer as described in this plan, Barnett Building will attempt to assist you in moving to a safe unit quickly. Barnett Building will make exceptions as required to policies restricting moves.

At your request, Barnett Building will refer you to organizations that may be able to further assist you.

You may also request an emergency transfer to the following programs for which you are required to apply for assistance:

- Public housing program
- RAD Program
- HCV tenant-based program
- Multifamily Section 8
- ECHA Rentals

Emergency transfers will not take priority over waiting list admissions for these types of assistance. At your request, Barnett Building will refer you to organizations that may be able to further assist you.

### **Internal and External Transfer requests**

The tenant may request an internal transfer within the same single or scattered site property in which the tenant resides or may request an external transfer to move out of the property in which they reside. The victim may request both an internal and an external transfer concurrently if an internal safe unit is not immediately available. Barnett Building will make all reasonable efforts to assist tenants with requesting both internal and external transfers.

Barnett Building will allow the tenant to make an internal transfer when a safe unit is not immediately available. The owner defines *immediately available* as a vacant unit, ready for move-in within a reasonable period of time based on local factors. Barnett Building will ensure that requests for internal emergency transfers under VAWA are given the same priority already provided to other types of emergency transfer requests. The tenant will be offered the first available vacant unit ready for move-in in the same property or in another building that is part of the same scattered-site property in accordance with this plan. The victim will be allowed to assess the availability of the units and the suitability according to the individual circumstances of the household. If the first unit offered is not suitable due to these circumstances, Barnett Building will continue to make every effort to provide an alternative unit as soon as one is available that meets the criteria for the household. If an internal transfer is not viable, Barnett Building will discuss external transfer options with the victim in accordance with this plan.

An external transfer may be requested when a unit that meets the victim's safety standard is not available at the current property or is not immediately available. If an external transfer is required, Barnett Building will, at a minimum, provide the victim with contact information for

relevant local service providers, government agencies, and other affordable housing developments in the area.

Note that qualifying for an emergency transfer does not guarantee either continued assistance under the current program or an external transfer to another covered housing program.

Emergency transfer requirements do not supersede any eligibility or occupancy requirements that may apply under a covered housing program. Tenants must still meet the eligibility criteria for the property to which they are transferring.

### **Safety and Security of Tenants**

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

**EXHIBIT 8-2: NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE  
AGAINST WOMEN ACT, FORM HUD-5380**

**Erie County Housing Authority - Barnett Building**

**Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

**When should I receive this form?** A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you are admitted as a tenant, when you receive an eviction or termination notice and prior to termination of tenancy, or when you are denied as an applicant. A covered housing provider may provide these forms at additional times.

**What is the Violence Against Women Act (“VAWA”)?** This notice describes protections that may apply to you as an applicant or a tenant under a housing program covered by a federal law called the Violence Against Women Act (“VAWA”). VAWA provides housing protections for victims of domestic violence, dating violence, sexual assault or stalking. VAWA protections must be in leases and other program documents, as applicable. VAWA protections may be raised at any time. You do not need to know the type or name of the program you are participating in or applying in order to seek VAWA protections.

**What if I require this information in a language other than English?** To read this information in Spanish or another language, please contact [INSERT COVERED HOUSING PROVIDER’S CONTACT INFORMATION; FOR HOPWA PROVIDERS – INSERT GRANTEE NAME AND CONTACT INFORMATION] or go to [INSERT WEBSITE, IF APPLICABLE]. You can read translated VAWA forms at [https://www.hud.gov/program\\_offices/administration/hudclips/forms/hud5a#4](https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4). If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

**What do the words in this notice mean?**

- *VAWA violence/abuse* means one or more incidents of domestic violence, dating violence, sexual assault, or stalking.
- *Victim* means any victim of VAWA violence/abuse, regardless of actual or perceived sexual orientation, gender identity, sex, or marital status.
- *Affiliated person* means the tenant’s spouse, parent, sibling, or child; or any individual, tenant, or lawful occupant living in the tenant’s household; or anyone for whom the tenant acts as parent/guardian.

- Covered housing program<sup>3</sup> includes the following HUD programs:
  - Public Housing
  - Tenant-based vouchers (TBV, also known as Housing Choice Vouchers or HCV) and Project-based Vouchers (PBV) Section 8 programs
  - Section 8 Project-Based Rental Assistance (PBRA)
  - Section 8 Moderate Rehabilitation Single Room Occupancy
  - Section 202 Supportive Housing for the Elderly
  - Section 811 Supportive Housing for Persons with Disabilities
  - Section 221(d)(3)/(d)(5) Multifamily Rental Housing
  - Section 236 Multifamily Rental Housing
  - Housing Opportunities for Persons With AIDS (HOPWA) program
  - HOME Investment Partnerships (HOME) program
  - The Housing Trust Fund
  - Emergency Solutions Grants (ESG) program
  - Continuum of Care program
  - Rural Housing Stability Assistance program
- Covered housing provider means the individual or entity under a covered housing program that is responsible for providing or overseeing the VAWA protection in a specific situation. The covered housing provider may be a public housing agency, project sponsor, housing owner, mortgagor, housing manager, State or local government, public agency, or a nonprofit or for-profit organization as the lessor.

**What if I am an applicant under a program covered by VAWA?** You can't be denied housing, housing assistance, or homeless assistance covered by VAWA just because you (or a household member) are or were a victim or just because of problems you (or a household member) had as a direct result of being or having been a victim. For example, if you have a poor rental or credit history or a criminal record, and that history or record is the direct result of you being a victim of VAWA abuse/violence, that history or record cannot be used as a reason to deny you housing or homeless assistance covered by VAWA.

**What if I am a tenant under a program covered by VAWA?** You cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because you (or a household member) are or were a victim of VAWA violence/abuse. You also cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because of problems that you (or a household member) have as a direct result of being or having been a victim. For example, if you are a victim of VAWA abuse/violence that directly results in repeated noise complaints and damage to the property, neither the noise complaints nor property damage can be used as a reason for evicting you from housing covered by VAWA. You also cannot be evicted or removed from housing, housing assistance, or homeless assistance covered

<sup>3</sup> For information about non-HUD covered housing programs under VAWA, see Interagency Statement on the Violence Against Women Act's Housing Provisions at <https://www.hud.gov/sites/dfiles/PA/documents/InteragencyVAWAHousingStmnt092024.pdf>.

by VAWA because of someone else's criminal actions that are directly related to VAWA abuse/violence against you, a household member, or another affiliated person.

**How can tenants request an emergency transfer?** Victims of VAWA violence/abuse have the right to request an emergency transfer from their current unit to another unit for safety reasons related to the VAWA violence/abuse. An emergency transfer cannot be guaranteed, but you can request an emergency transfer when:

1. You (or a household member) are a victim of VAWA violence/abuse;
2. You expressly request the emergency transfer; AND
3. EITHER
  - a. you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the same dwelling unit; OR
  - b. if you (or a household member) are a victim of sexual assault, either you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) were to stay in the unit, or the sexual assault occurred on the premises and you request an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

You can request an emergency transfer even if you are not lease compliant, for example if you owe rent. If you request an emergency transfer, your request, the information you provided to make the request, and your new unit's location must be kept strictly confidential by the covered housing provider. The covered housing provider is required to maintain a VAWA emergency transfer plan and make it available to you upon request.

To request an emergency transfer or to read the covered housing provider's VAWA emergency transfer plan, **To request an emergency transfer or a copy of the applicable VAWA emergency transfer plan, please contact the property manager at 814-756-5294.** The VAWA emergency transfer plan includes information about what the covered housing provider does to make sure your address and other relevant information are not disclosed to your perpetrator.

**Can the perpetrator be evicted or removed from my lease?** Depending on your specific situation, your covered housing provider may be able to divide the lease to evict just the perpetrator. This is called "lease bifurcation."

**What happens if the lease bifurcation ends up removing the perpetrator who was the only tenant who qualified for the housing or assistance?** In this situation, the covered housing provider must provide you and other remaining household members an opportunity to establish eligibility or to find other housing. If you cannot or don't want to establish eligibility, then the covered housing provider must give you a reasonable time to move or establish eligibility for another covered housing program. This amount of time varies, depending on the covered housing program involved. The table below shows the reasonable time provided under each covered housing programs with HUD. Timeframes for covered housing programs operated by other agencies are determined by those agencies.

<b>Covered Housing Program(s)</b>	<b>Reasonable Time for Remaining Household Members to Continue to Receive Assistance, Establish Eligibility, or Move.</b>
HOME and Housing Trust Fund, Continuum of Care Program (except for permanent supportive housing), ESG program, Section 221(d)(3) Program, Section 221(d)(5) Program, Rural Housing Stability Assistance Program	Because these programs do not provide housing or assistance based on just one person's status or characteristics, the remaining tenant(s), or family member(s) in the CoC program, can keep receiving assistance or living in the assisted housing as applicable.
Permanent supportive housing funded by the Continuum of Care Program	The remaining household member(s) can receive rental assistance until expiration of the lease that is in effect when the qualifying member is evicted.
Housing Choice Voucher, Project-based Voucher, and Public Housing programs (for Special Purpose Vouchers (e.g., HUD-VASH, FUP, FYI, etc.)), see also program specific guidance)	If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.  For HUD-VASH, if the veteran is removed, the remaining family member(s) can keep receiving assistance or living in the assisted housing as applicable. If the veteran was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days to establish program eligibility or find alternative housing.
Section 202/811 PRAC and SPRAC	The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or until the lease expires, whichever is first, to establish program eligibility or find alternative housing.
Section 202/8	The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or when the lease expires, whichever is

	<p>first, to establish program eligibility or find alternative housing.</p> <p>If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.</p>
Section 236 (including RAP); Project-based Section 8 and Mod Rehab/SRO	The remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.
HOPWA	The remaining household member(s) must be given no less than 90 calendar days, and not more than one year, from the date of the lease bifurcation to establish program eligibility or find alternative housing. The date is set by the HOPWA Grantee or Project Sponsor.

**Are there any reasons that I can be evicted or lose assistance?** VAWA does not prevent you from being evicted or losing assistance for a lease violation, program violation, or violation of other requirements that are not due to the VAWA violence/abuse committed against you or an affiliated person. However, a covered housing provider cannot be stricter with you than with other tenants, just because you or an affiliated person experienced VAWA abuse/violence. VAWA also will not prevent eviction, termination, or removal if other tenants or housing staff are shown to be in immediate, physical danger that could lead to serious bodily harm or death if you are not evicted or removed from assistance. **But only if no other action can be taken to reduce or eliminate the threat** should a covered housing provider evict you or end your assistance, if the VAWA abuse/violence happens to you or an affiliated person. A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you receive an eviction or termination notice and prior to termination of tenancy.

**What do I need to document that I am a victim of VAWA abuse/violence?** If you ask for VAWA protection, the covered housing provider may request documentation showing that you (or a household member) are a victim. BUT the covered housing provider must make this request in writing and must give you at least 14 business days (weekends and holidays do not count) to respond, and you are free to choose any one of the following:

1. A self-certification form (for example, Form-HUD 5382), which the covered housing provider must give you along with this notice. Either you can fill out the form or someone else can complete it for you;

2. A statement from a victim/survivor service provider, attorney, mental health professional or medical professional who has helped you address incidents of VAWA violence/abuse. The professional must state “under penalty of perjury” that he/she/they believes that the incidents of VAWA violence/abuse are real and covered by VAWA. Both you and the professional must sign the statement;
3. A police, administrative, or court record (such as a protective order) that shows you (or a household member) were a victim of VAWA violence/abuse; OR
4. If allowed by your covered housing provider, any other statement or evidence provided by you.

It is your choice which documentation to provide and the covered housing provider must accept any one of the above as documentation. The covered housing provider is prohibited from seeking additional documentation of victim status or requiring more than one of these types of documentation, unless the covered housing provider receives conflicting information about the VAWA violence/abuse.

If you do not provide one of these types of documentation by the deadline, the covered housing provider does not have to provide the VAWA protections you requested. If the documentation received by the covered housing provider contains conflicting information about the VAWA violence/abuse, the covered housing provider may require you to provide additional documentation from the list above, but the covered housing provider must give you another 30 calendar days to do so.

**Will my information be kept confidential?** If you share information with a covered housing provider about why you need VAWA protections, the covered housing provider must keep the information you share strictly confidential. This information should be securely and separately kept from your other tenant files. No one who works for your covered housing provider will have access to this information, unless there is a reason that specifically calls for them to access this information, your covered housing provider explicitly authorizes their access for that reason, and that authorization is consistent with applicable law

Your information **will not be disclosed** to anyone else or put in a database shared with anyone else, except in the following situations:

1. If you give the covered housing provider written permission to share the information for a limited time;
2. If the covered housing provider needs to use that information in an eviction proceeding or hearing; or
3. If other applicable law requires the covered housing provider to share the information.

**How do other laws apply?** VAWA does not limit the covered housing provider's duty to honor court orders about access to or control of the property, or civil protection orders issued to protect a victim of VAWA abuse/violence. Additionally, VAWA does not limit the covered housing provider's duty to comply with a court order with respect to the distribution or possession of property among household members during a family break up. The covered housing provider must follow all applicable fair housing and civil rights requirements.

**Can I request a reasonable accommodation?** If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. To request a reasonable accommodation, please contact **Sam Vanchieri, 504 Coordinator at 814-665-5161**. Your covered housing provider must also ensure effective communication with individuals with disabilities.

**Have your protections under VAWA been denied?** If you believe that the covered housing provider has violated these rights, you may seek help by contacting **Pittsburgh, PA HUD Field Office at 412-644-6428**. You can also find additional information on filing VAWA complaints at <https://www.hud.gov/VAWA> and [https://www.hud.gov/program\\_offices/fair\\_housing\\_equal\\_opp/VAWA](https://www.hud.gov/program_offices/fair_housing_equal_opp/VAWA). **Public reporting burden** for this collection of information is estimated to range from 45 to 90 minutes per each covered housing provider's response, depending on the program. This includes time to print and distribute the form. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, D.C. 20410. This notice is required for covered housing programs under section 41411 of VAWA and 24 CFR 5.2003. Covered housing providers must give this notice to applicants and tenants to inform them of the VAWA protections as specified in section 41411(d)(2). This is a model notice, and no information is being collected. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

**Confidentiality Note:** Any personal information you share in this form will be maintained by your covered housing provider according to the confidentiality provisions below.

**Purpose of Form:** If you are a tenant of or applicant for housing assisted under a covered housing program, or if you are applying for or receiving transitional housing or rental assistance under a covered housing program, and ask for protection under the Violence Against Women Act (“VAWA”), you may use this form to comply with a covered housing provider's request for written documentation of your status as a "victim". This form is accompanied by a “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380.

**VAWA protects individuals and families regardless of a victim’s age or actual or perceived sexual orientation, gender identity, sex, or marital status.**

You are not expected and cannot be asked or required to claim, document, or prove victim status or VAWA violence/abuse other than as stated in “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380.

This form is **one of your available options** for responding to a covered housing provider’s written request for documentation of victim status or the incident(s) of VAWA violence/abuse. If you choose, you may submit one of the types of third-party documentation described in Form HUD-5380, in the section titled, “What do I need to document that I am a victim?”. Your covered housing provider must give you at least 14 business days (weekends and holidays do not count) to respond to their written request for this documentation.

**Will my information be kept confidential?** Whenever you ask for or about VAWA protections, your covered housing provider must keep any information you provide about the VAWA violence/abuse or the fact you (or a household member) are a victim, including the information on this form, strictly confidential. This information should be securely and separately kept from your other tenant files. This information can only be accessed by an employee/agent of your covered housing provider if (1) access is required for a specific reason, (2) your covered housing provider explicitly authorizes that person’s access for that reason. (3) the authorization complies with applicable law. This information will not be given to anyone else or put into a database shared with anyone else, unless your covered housing provider (1) gets your written permission to do so for a limited time, (2) is required to do so as part of an eviction or termination hearing, or (3) is required to do so by law.

In addition, your covered housing provider must keep your address strictly confidential to ensure that it is not disclosed to a person who committed or threatened to commit VAWA violence/abuse against you (or a household member).

**What if I require this information in a language other than English?** To read this in Spanish or another language, please contact **your property manager at 814-756-5294**. You can read translated VAWA forms at [https://www.hud.gov/program\\_offices/administration/hudclips/forms/hud5a#4](https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4). If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

**Can I request a reasonable accommodation?** If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. Your covered housing provider must also ensure effective communication with individuals with disabilities. Need further help? **Applicable definitions of domestic violence, dating violence, sexual assault, or stalking:**

*Domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who lives with or has lived with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Spouse or intimate partner of the victim includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

*Dating violence* means violence committed by a person:

- (1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (2) Where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship; (ii) The type of relationship; and (iii) The frequency of interaction between the persons involved in the relationship.

*Sexual assault* means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

*Stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- (1) Fear for the person's individual safety or the safety of others or
- (2) Suffer substantial emotional distress.

**Certification of Applicant or Tenant:** By signing below, I am certifying that the information provided on this form is true and correct to the best of my knowledge and recollection, and that one or more members of my household is or has been a victim of domestic violence, dating violence, sexual assault, or stalking as described in the applicable definitions above.

**Public Reporting Burden** for this collection of information is estimated to average 20 minutes per response. This includes the time for collecting, reviewing, and reporting. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410. Housing providers in programs covered by VAWA may request certification that the applicant or tenant is a victim of VAWA violence/abuse. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

**EXHIBIT 8-4: EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF  
DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING,  
FORM HUD-5383**

U.S. Department of Housing and Urban Development  
OMB Approval No. 2577-0286  
Exp. 1/31/2028

**CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT,  
OR STALKING**

**Confidentiality Note:** Any personal information you share in this form will be maintained by your covered housing provider according to the confidentiality provisions below.

**Purpose of Form:** If you are a tenant of housing assisted under a covered housing program, or if you are receiving transitional housing or rental assistance under a covered housing program, you may use this form to request an emergency transfer and certify that you qualify for an emergency transfer under the Violence Against Women Act (“VAWA”). This form refers to domestic violence, dating violence, sexual assault, or stalking as “VAWA violence/abuse.”

**VAWA protects individuals and families regardless of a victim’s age or actual or perceived sexual orientation, gender identity, sex, or marital status.**

You may request an emergency transfer when:

1. You (or a household member) are a victim of VAWA violence/abuse;
2. You expressly request the emergency transfer; **AND**
3. **EITHER**
  - a. you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the same dwelling unit; or
  - b. if you (or a household member) are a victim of sexual assault, either you reasonably believe there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the unit, or the sexual assault occurred on the premises and you request an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

A covered housing provider, in response to an emergency transfer request, should not evaluate whether you are in good standing as part of the assessment or provision of an emergency transfer. Whether or not you are in good standing does not impact your ability to request an emergency transfer under VAWA.

However, submitting this form does not necessarily mean that you will receive an emergency transfer. See your covered housing provider’s VAWA Emergency Transfer Plan for more information about VAWA emergency transfers and see “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380, for additional housing rights you may be entitled to.

**Am I required to submit any documentation to my covered housing provider?** Your covered housing provider may request documentation proving that you, or a household member, are a victim of VAWA violence/abuse, in addition to completing this emergency transfer request form. The request can be met by completing and submitting the VAWA Self-certification Form (Form HUD-5382), unless the covered housing provider receives conflicting information about the VAWA violence/abuse. If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you may, instead, choose to submit that documentation to your covered housing provider. See “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380, for more information.

**Will my information be kept confidential?** Whenever you ask for or about VAWA protections, your covered housing provider must keep any information you provide about the VAWA violence/abuse or the fact you (or a household member) are a victim, including the information on this form, strictly confidential. This information should be securely and separately kept from your other tenant files. This

information can only be accessed by an employee/agent of your covered housing provider if (1) access is required for a specific reason, (2) your covered housing provider explicitly authorizes that person's access for that reason, and (3) the authorization complies with applicable law. This information will not be given to anyone else or put in a database shared with anyone else, unless your covered housing provider (1) gets your written permission to do so for a limited time, (2) is required to do so as part of an eviction or termination hearing, or (3) is required to do so by law.

In addition, your covered housing provider must keep your address strictly confidential to ensure that it is not disclosed to a person who committed or threatened to commit VAWA violence/abuse against you (or a household member).

**What if I need this information in a language other than English?** To read this in Spanish or another language, please contact [INSERT COVERED HOUSING PROVIDER'S CONTACT INFORMATION; FOR HOPWA PROVIDERS – INSERT GRANTEE NAME AND CONTACT INFORMATION] or go to [INSERT WEBSITE, IF APPLICABLE]. You can read translated VAWA forms at [https://www.hud.gov/program\\_offices/administration/hudclips/forms/hud5a#4](https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4). If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

**Can I request a reasonable accommodation?** If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. Your covered housing provider must also ensure effective communication with individuals with disabilities. Need further help? **11. To approve your request for an emergency transfer, your covered housing provider may require that you provide written documentation that you (or a household member) are a victim of VAWA violence/abuse. Your covered housing provider must make this request for documentation in writing. You can choose to submit any one of the following types of documentation:**

- Form HUD-5382 Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation, which asks your name and the perpetrator's name (if known and safe to provide);

- A document signed by a victim service provider, attorney, mental health professional, or medical professional who has helped you address the VAWA violence/abuse. The professional must state “under penalty of perjury” that he/she/they believe in the occurrence of the incident of VAWA violence/abuse and that it is covered by VAWA. Both you and the professional must sign the statement;
- A police, administrative, or court record (such as a protective order) that shows you (or a household member) are a victim of VAWA violence/abuse; OR
- If permitted by your covered housing provider, a statement or other evidence provided by you.

**Certification of Tenant:** By signing below, I am certifying that the information provided on this form is true and correct to the best of my knowledge and recollection, and that I meet the conditions described on this form to qualify for an emergency transfer.

**Public reporting burden** for this collection of information is estimated to average 20 minutes per response. This includes the time for collecting, reviewing, and reporting. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410. Covered housing providers in programs covered by VAWA may ask for a written request for an emergency transfer for a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking. Housing providers may distribute this form to tenants and tenants may use it to request an emergency transfer. The information is subject to the confidentiality requirements of VAWA. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

## Chapter 9

### PROVISIONS REQUIRED UNDER HOTMA

#### 9-A. OVERVIEW

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs. The final rule implementing broad changes to income and assets in Sections 102 and 104 of HOTMA was officially published in the *Federal Register* on February 14, 2023. HUD issued notice H 2023-10 to provide guidance to owners on the implementation of the program changes described in the final rule. The notice required that for certain topic areas, owners establish policies in the Tenant Selection Plan. This chapter details the owners policies in those areas.

#### 9-B. DE MINIMIS ERRORS [24 CFR 5.609(c)(4); Notice H 2023-10]

Owners will not be considered out of compliance solely due to de minimis errors in calculating family income. De minimis errors occur when an owners determination of a family's income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (or \$360 in annual adjusted income). Owners will not be issued a finding by HUD or the Contract Administrator for de minimis errors in income calculation. As owners become aware of the existence of an income calculation error, they are obligated to correct the error(s) retroactive to the effective date of the action the error was made, regardless of the dollar amount associated with the error. Owners must take corrective action to credit or repay a family if the family was overcharged tenant rent, including when owners make de minimis errors in the income determination. Families will not be required to repay the owner in instances where the owner miscalculated income resulting in a family being undercharged for rent. Owners must state in the TSP how they will repay or credit a family the amount they were overcharged as a result of the owner's de minimis error in income determination.

When the resident overpaid because the resident failed to report in a timely manner, a retroactive rent decrease may not be applied by the grantee prior to the later of the first of the month following:

- The date of the change leading to the interim recertification of family income; or
- The effective date of the family's most recent previous interim or annual recertification (or initial certification if that was the family's last certification).

Barnett Building Policy

Barnett Building will repay any family the amount that the family was overcharged retroactive to the effective date of the action the error was made, regardless of the dollar amount associated with the error, because of the BARNETT BUILDING's error, including de minimis errors in income determination.

When the resident overpaid because the resident failed to report in a timely manner, a retroactive rent decrease will not be applied prior to the effective date of the family's most recent previous certification.

**9-C. HARDSHIP EXEMPTIONS FOR HEALTH AND MEDICAL CARE AND REASONABLE ATTENDANT CARE AND AUXILLIARY APPARATUS EXPENSES [24 CFR 5.611(c); Notice H 2023-10]**

The regulations provide for two types of hardship exemption categories for families that qualify for unreimbursed health and medical care expenses and/or disability assistance expenses. A family will benefit from this hardship exemption only if the family has eligible expenses that can be deducted in excess of five percent of annual income. In order to claim unreimbursed health and medical care expenses, the family must have a head, cohead, or spouse that is elderly or a person with a disability. In order to claim unreimbursed reasonable attendant care and auxiliary apparatus expenses, the family must include a person with a disability, and the expenses must enable any member of the family (including the member who is a person with a disability) to be employed.

Families may be eligible for relief under one of two categories; phased-in relief or general relief, as defined below.

**Phased-In Relief**

The first category is applicable to all families who received a deduction for unreimbursed health and medical care and/or reasonable attendant care or auxiliary apparatus expenses based on their most recent income review prior to January 1, 2024. The family must receive phased-in relief if they are determined to be eligible as of January 1, 2024. These families will begin receiving a 24-month phased-in relief at their next annual or interim recertification, whichever occurs first after the date on which the owner implements phased-in relief.

For these families, the threshold amount is phased-in as follows:

- The family is eligible for a deduction totaling the sum of expenses that exceeds 5 percent of annual income for the first 12 months.
- At the conclusion of 12 months, the family is eligible for a deduction totaling the sum of their expenses that exceed 7.5 percent of annual income for another 12 months.
- At the conclusion of 24 months, the standard threshold amount of 10 percent would be used, unless the family qualifies for relief under the general hardship relief category.
  - When an eligible family's phased-in relief begins at an interim recertification, the O/A must process another transaction one year later to move the family along to the next phase. The transaction can be either an interim recertification if triggered, or a non-interim recertification transaction.

Prior to the end of the 24-month period, the family may request a hardship exemption under the second category as described below. If the family is found eligible under the second category, the hardship exemption under the first category ends, and the family's hardship is administered in accordance with the requirements listed below. Once a family requests general relief, the family may no longer receive phased-in relief.

Owners must track the 24-month phase-period for each eligible family, even if a family's expenses go below the appropriate phase-in percentage, during the first or second 12-month phase-in period. The phase-in must continue for families who move to another unit at the same property. When the family is treated as a new admission under a different property/program (e.g., the family moves from one multifamily property to another), unless the owner has a written policy to continue the phased-in relief upon admission, the family's expense deduction will be calculated using the 10-percent threshold unless request for general relief is approved by the owner.

#### Barnett Building Policy

Barnett Building will not continue the phased-in relief for families who move and are treated as a new admission at the property. These families will be treated as new admissions and the sum of expenses that exceeds 10 percent of annual income will be used to calculate their adjusted income.

#### **General Relief**

The second category is for families that can demonstrate:

- Their health and medical and/or disability assistance expenses increased (other than the transition to the higher threshold); or
- The family's financial hardship is a result of a change in circumstances (as defined in owner policy) that would not otherwise trigger an interim recertification.

The family may request a hardship exemption under the second category regardless of whether the family previously received the health and medical and/or disability assistance deductions or are currently or were previously receiving relief under the phased-in relief category above. HUD requires that owners develop policies defining what constitutes a hardship for purposes of this exemption.

The owner must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. Owners must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

#### Barnett Building Policy

To qualify for a hardship exemption, a family must submit a request in writing. The request must show that the family's health and medical and/or disability assistance expenses have increased (other than the transition to the higher threshold) and that the family's financial hardship is a result of a change in circumstances. The BARNETT BUILDING defines a *change in circumstances* as a decrease in income or increase in other expenses that has resulted in the family's financial hardship but does not, on its own, trigger an interim recert in accordance with BARNETT BUILDING policies.

Examples of circumstances constituting a financial hardship may include the following situations:

The family is awaiting an eligibility determination for a federal, state, or local assistance program, such as a determination for unemployment compensation or disability benefits;

The family's income decreased because of a loss of employment, death of a family member, or due to a natural or federal/state declared disaster; or

Other circumstances as determined by the owner.

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, the owner will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

The owner must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions. The notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)].

#### Barnett Building Policy

Barnett Building will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If the family qualifies for an exemption, the BARNETT BUILDING will include the date the hardship exemption will begin and the date it will expire as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the family will receive a deduction for the sum of eligible expenses that exceed five percent of annual income.

The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever is earlier. However, the O/A may, at its discretion, extend the relief for one or more additional 90-day periods while the family's hardship condition continues. Owners are not limited to a maximum number of 90-day extensions.

Owners must establish written policies regarding the types of circumstances that will allow a family to qualify for a financial hardship and when such deductions may be eligible for additional 90-day extensions. Owners must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

#### Barnett Building Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. Barnett Building will extend relief for an additional 90 days if the family demonstrates to the BARNETT BUILDING's satisfaction that the family continues to qualify for the hardship exemption based on circumstances described above. Barnett Building will require updated verification based on the family's current circumstances. Additional extensions may be granted on a case-by-case basis provided the family continues to request extensions prior to the end of each hardship exemption period. Families must report if the circumstances that made the family eligible for the hardship exemption are no longer applicable. At any time, Barnett Building may terminate the hardship exemption if the BARNETT BUILDING determines that the family no longer qualifies for the exemption.

## **9-D. CHILD CARE EXPENSE HARDSHIP EXEMPTION [24 CFR 5.611(d) and Notice H 2023-10]**

A family whose eligibility for the child care expense deduction is ending may request a financial hardship exemption to continue receiving the deduction. If the family demonstrates to the owner's satisfaction that the family is unable to pay their rent because of the loss of the child care expense deduction, and that the child care expense is still necessary even though the family member is not working, looking for work, or seeking to further their education, the owner must recalculate the family's adjusted income and continue the child care deduction.

The owner must develop a policy to define what constitutes a hardship, which includes the family's inability to pay rent. The owner must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. Owners must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

### Barnett Building Policy

For a family to qualify, they must demonstrate that their inability to pay rent would be as a result of the loss of this deduction. Barnett Building defines this hardship as a potential decrease in income or increase in other expenses that would result from the loss of the child care expense and such loss would impact the family's ability to pay their rent.

Some factors to consider when determining if the family is unable to pay rent may include determining that the rent, utility payment, and applicable expenses (child care expenses or health and medical expenses) are more than 40 percent of the family's adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

The family must also demonstrate that the child care expense is still necessary even though the family member is no longer employed or furthering their education. The BARNETT BUILDING will consider qualification under this criterion on a case-by case basis (for example, if the family member who was employed has left their job in order to provide uncompensated care to an elderly friend or family member who is severely ill and lives across town).

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, the Barnett Building will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

The owner must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions.

If the owner denies the request, the notice must specifically state the reason for the denial. Owners must provide families 30 days' notice of any increase in rent.

If the owner approves the request, the notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)]. The notice must also state the requirement for the family to report to the owner if the circumstances that made the family eligible for relief are no longer applicable and that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption.

#### Barnett Building Policy

Barnett building will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If the family qualifies for an exemption, the BARNETT BUILDING will include all required information listed above as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

The owner may, at its discretion, extend the hardship exemptions for additional 90-day periods based on family circumstances and as stated in owners policies. Owners are not limited to a maximum number of 90-day extensions. Owners must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

Owners must promptly notify families in writing if they are denied either an initial hardship exemption or an additional 90-day extension of the exemption. If the owner denies the request, the notice must specifically state the reason for the denial.

Owners must notify the family if the hardship exemption is no longer necessary and the hardship exemption will be terminated because the circumstances that made the family eligible for the exemption are no longer applicable. The notice must state the termination date and provide 30 days' notice of rent increase, if applicable.

#### Barnett Building Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. The Barnett Building will extend relief for an additional 90 days if the family demonstrates to the owner's satisfaction that the family continues to qualify for the hardship exemption. The owner will require updated verification based on the family's current circumstances. Additional extensions may be granted on a case-by-case basis provided the family continues to request extensions prior to the end of each hardship exemption period. Families must report if the circumstances that made the family eligible for the hardship exemption are no longer applicable. At any time, the owner may terminate the hardship exemption if the owner determines that the family no longer qualifies for the exemption.

## **9-E. SELF-CERTIFICATION OF CERTAIN ASSETS**

### **Net Family Assets [24 CFR 5.603]**

For families with net assets totaling \$50,000 or less (adjusted annually for inflation), the owner may, but is not required to, accept the family's self-certification that the family's assets do not exceed \$50,000 without taking any additional steps to verify the accuracy of the declaration. The declaration must include the amount of income the family expects to receive from assets which must be included in the family's income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded by 24 CFR 5.609(b). This includes declaring income from checking and savings accounts which, although excluded from the calculation of net family assets (because the combined value of non-necessary personal property does not exceed \$50,000), may generate asset income. The owner may not calculate or include any imputed income from assets when net family assets total \$50,000 or less (adjusted annually for inflation). Owners must clarify during the self-certification process which assets are included or excluded from net family assets.

For owners that choose to accept self-certification, the owner is required to obtain third-party verification of all assets, regardless of the amount, at least once every three years.

Owners who choose not to accept self-certifications of assets must verify all families' assets on an annual basis.

When net family assets have a total value over \$50,000 (adjusted annually for inflation), the owner may not rely on the family's self-certification. Third-party verification of assets is required. Income from assets in this situation is calculated using the following methods:

- If actual returns can be calculated for an asset, the owner must include actual income from the asset.
- If actual returns cannot be calculated, the owner must calculate imputed returns using the HUD-determined passbook rate, which is subject to change annually for inflation. Imputed income is calculated by multiplying the net cash value of the asset, after deducting reasonable costs that would be incurred in disposing of the asset, by the HUD-published passbook rate.
- If the owner can compute actual income from some but not all assets, the owner must compute actual returns where possible and use the HUD-determined passbook rate where actual income cannot be calculated.

When verification of assets is required, owners are required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

#### Barnett Building Policy

For families with net assets totaling \$50,000 or less, Barnett Building will accept the family's self-certification of the value of family assets and anticipated asset income. The family's declaration must show each asset and the amount of income expected from that asset. All family members 18 years of age and older must sign the family's declaration. The BARNETT BUILDING reserves the right to require additional verification in situations where the accuracy of the declaration is in question. Any income the family expects to receive from assets will be included in the family's annual income. The family will be required to provide third-party verification of net family assets every three years.

When verification is required, in determining the value of checking or savings accounts, the BARNETT BUILDING will use the current balance as reflected on the most recent bank statement.

In determining the anticipated income from an interest-bearing checking or savings account when verification is required and the rate of return is known, the BARNETT BUILDING will multiply the current balance of the account by the current rate of interest paid on the account. If a checking account does not bear interest, the anticipated income from the account is zero.

## **Self-Certification of Real Property Ownership [24 CFR 5.618(b)(2)]**

The owner must determine whether a family has present ownership in real property that is suitable for occupancy for purposes of determining whether the family is compliant with the asset limitation. The owner may accept a self-certification from the family stating that the family does not have any present ownership in any real property. If the family certifies that they do not have any present ownership interest in real property, the owner may take that as sufficient to determine the family is not out of compliance with the real property restriction. If the family declares they have present ownership in real property, the owner must obtain third-party verification of the family's legal right to reside in the property, the effective legal authority to sell the property, and whether the property is suitable for occupancy by the family as a residence.

### Barnett Building Policy

The Barnett Building will accept self-certification from the family that the family does not have any present ownership in any real property. The certification will state that the family does not have any present ownership interest in any real property and must be signed by all family members 18 years of age and older. The BARNETT BUILDING reserves the right to require additional verification in situations where the accuracy of the declaration is in question.

If the family declares they have a present ownership in real property, the BARNETT BUILDING will obtain third-party verification of the following factors: whether the family has the legal right to reside in the property; whether the family has effective legal authority to sell the property; and whether the property is suitable for occupancy by the family as a residence. However, in cases where a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the BARNETT BUILDING will comply with confidentiality requirements under 24 CFR 5.2007 and will accept a self-certification.

## 9-F. INTERIM RECERTIFICATIONS

### Interim Decreases [24 CFR 982.516(c)(2) and Notice H 2023-10]

A family may request an interim determination of family income for any change since the last determination. However, the owner may decline to conduct an interim recertification if the owner estimates the family's adjusted income will decrease by an amount that is less than 10 percent of the family's adjusted income. The owner may set a lower threshold in the owner's policy such as performing an interim for any decreases in adjusted income, although HUD prohibits the owner from setting a dollar-figure threshold.

#### Barnett Building Policy

The BARNETT BUILDING will conduct an interim recertification any time the family's adjusted income has decreased by any amount.

However, while the owner has some discretion, HUD requires that the owner perform an interim recertification for a decrease in adjusted income of any amount in two circumstances:

- When there is a decrease in family size attributed to the death of a family member; or
- When a family member permanently moves out of the assisted unit during the period since the family's last recertification.

In the above circumstances, the owner must perform an interim recertification for any decrease in adjusted income.

If the net effect of the changes in adjusted income due to a decrease in family size results in no change or an increase in annual adjusted income, then the owner must process the removal of the household members as a non-interim recertification transaction without making changes to the family's annual adjusted income.

## **Interim Increases [24 CFR 982.516(c)(3) and Notice H 2023-10]**

Owners must not process interim recertifications for income increases that result in less than a 10 percent increase in annual adjusted income. Owners must conduct an interim recertification of family income when the owner becomes aware that the family's adjusted income has changed by an amount that the owner estimates will result in an increase of 10 percent or more in adjusted income, with the following exceptions:

- Owners may not consider any increases in earned income when estimating or calculating whether the family's adjusted income has increased, unless the family has previously received an interim reduction during the same recertification cycle; and
- Owners may choose not to conduct an interim recertification during the last three months of a certification period if a family reports an increase in income within three months of the next annual recertification effective date.

When the family previously received an interim recertification for a decrease to adjusted income during the same annual recertification cycle, an owner has the discretion whether to consider a subsequent increase in earned income.

### Barnett Building Policy

When a family reports an increase in their earned income between annual recertifications, the Barnett Building will conduct an interim recertification, regardless of the amount of the increase, and regardless of whether there was a previous decrease since the family's last annual recertification.

Barnett Building will process an interim recertification for any increases in unearned income of 10 percent or more in adjusted income.

Barnett Building will perform an interim recertification when a family reports an increase in income (whether earned or unearned income) within three months of their annual recertification effective date. However, families who delay reporting income increases until the last three months of their certification period may be subject to retroactive rent increases.

A series of smaller reported increases in adjusted income may cumulatively meet or exceed the 10 percent increase threshold, at which point the owner must conduct an interim recertification in accordance with owner policy.

When the family reports an increase in both earned and unearned income at the same time, the O/A must look at the earned and unearned income changes independently of each other to determine if an interim recertification is performed. The owner will only conduct an interim recertification when the increase independently meets the 10 percent threshold and all other requirements for performing interim recertifications. For example, if a family reported increases in both earned and unearned income that overall resulted in a 12 percent increase in their adjusted income, but the change in earned income represented a 7 percent increase and the change in unearned income represented a 5 percent increase, the owner may not perform an interim for either change since neither change meets the 10 percent threshold amount independently. If the change in unearned income met the 10 percent threshold in this case, the owner would be required to perform an interim. If the change in earned income met the 10

percent threshold in this case, the owner would refer to owners policy to determine whether an interim was required.

## ***Family Reporting***

The owner must adopt policies consistent with HUD regulations prescribing when and under what conditions the family must report a change in family income or composition, or other circumstances that may affect the family's subsidy amount or rent portion. Other circumstances may include, but are not limited to, changes in eligible deductions or citizenship status.

Owners policy may require families to report only changes that the family estimates meet the threshold for an interim recertification or the Owner may establish policies requiring that families report all changes in income, household composition, and any other change that may affect the family's adjusted income, and the owner will subsequently determine if the change requires an interim recertification.

When the owner determines that an interim recertification is necessary, they must ask the family to report changes in all aspects of adjusted income. For example, if the family is reporting a decrease in adjusted income that is more than 10 percent, but the family also had a change in assets or other changes in circumstances that would result in a change in the family's adjusted income, the change in assets must also be reviewed.

### **Barnett Building Policy**

The family will be required to report all changes in income regardless of the amount of the change, whether the change is to earned or unearned income, or if the change occurred during the last three months of the certification period. Families must report all changes in income within 10 business days of the date the change takes effect. The family may notify the BARNETT BUILDING either orally or in writing. If the family provides oral notice, the owner may also require the family to submit the changes in writing.

Within 10 business days of the family reporting the change, the Barnett Building will determine whether the change will require an interim recertification.

If the change will not result in an interim recertification, the BARNETT BUILDING will note the information in the tenant file but will not conduct an interim recertification. The BARNETT BUILDING will send the family written notification within 10 business days of making this determination informing the family that the BARNETT BUILDING will not conduct an interim recertification.

If the change will result in an interim recertification, the BARNETT BUILDING will determine the documentation the family will be required to submit based on the type of change reported. The BARNETT BUILDING will ask the family to report changes in all aspects of adjusted income at this time. The family must submit any required information or documents within 10 business days of receiving a request from the BARNETT BUILDING. This time frame may be extended for good cause with BARNETT BUILDING approval. The BARNETT BUILDING will accept required documentation by mail, email, fax, or in person. The BARNETT BUILDING will conduct the interim within a reasonable time period based on the amount of time it takes to verify the information.

Generally, the family will not be required to attend an interview for an interim recertification. However, if the BARNETT BUILDING determines that an interview is warranted, the family may be required to attend.

### **Changes Reported Timely**

If the family reports a change in family income, composition, or other circumstances affecting adjusted income timely in accordance with owner policies:

- For rent increases, the owner must provide the family with 30 days advance written notice. The rent increase is effective the first of the month after the end of that 30-day notice period.
- Rent decreases are effective on the first of the month after the date of the actual change leading to the interim recertification of family income. This means the decrease will be applied retroactively.

### **Changes Not Reported Timely**

If the family failed to report a change in family income, composition, or other circumstances affecting adjusted income timely in accordance with owner policies:

- For rent increases, the owner must implement any resulting rent increases retroactively to the first of the month following the date of the change leading to the interim recertification of family income.
- For rent decreases, the owner must implement the change no later than the first rent period following completion of the interim recertification.

However, the owner may choose to adopt a policy that would make the effective date of the rent decrease retroactive to the first of the month following completion of the recertification. Owners may choose to establish conditions or requirements for when such a retroactive application would apply. Owners that choose to adopt such policies must ensure the earliest date that the retroactive decrease is applied is the later of:

- The first of the month following the date of the change that led to the interim recertification;  
or
- The first of the month following the most recent previous income examination.

In applying a retroactive change in rent as the result of an interim recertification, the O/A must clearly communicate the effect of the retroactive adjustment to the family so that there is no confusion over the amount of the rent that is the family's responsibility.

#### Barnett Building Policy

In general, when the family fails to report a change in income, family composition, or other circumstances affecting adjusted income timely, and the change would lead to a rent decrease, the BARNETT BUILDING will apply the decrease the first of the month following completion of the interim recertification.

However, the BARNETT BUILDING will apply the results of the interim recertification retroactively where a family's ability to report a change in income promptly may have been hampered due to extenuating circumstances such as a natural disaster or disruptions to BARNETT BUILDING management operations. The BARNETT BUILDING will decide to apply decreases retroactively on a case-by-case basis.

When the BARNETT BUILDING applies the results of interim decreases retroactively, the BARNETT BUILDING will clearly communicate the effect of the retroactive adjustment to the family and may enter into a repayment agreement in accordance with BARNETT BUILDING policies.

The BARNETT BUILDING will also clearly communicate the effect of the retroactive adjustment to the owner.

## **9-G. USE OF OTHER PROGRAMS' INCOME DETERMINATIONS [24 CFR 5.609(c)(3) and Notice H 2023-10]**

Owners may, but are not required to, determine a family's annual income, including income from assets, prior to the application of any deductions, based on income determinations made within the previous 12-month period, using income determinations from means-tested federal public assistance programs (Safe Harbor). Owners are not required to accept or use determinations of income from other federal means-tested forms of assistance. If the owner adopts a policy to accept this type of verification, the owner must establish in policy when they will accept Safe Harbor income determinations and from which programs. Owners must also create policies that outline the course of action when families present multiple verifications from the same or different acceptable Safe Harbor programs.

Means-tested federal public assistance programs include:

- Temporary Assistance for Needy Families (TANF) (42 U.S.C. 601, et seq.);
- Medicaid (42 U.S.C. 1396 et seq.);
- Supplemental Nutrition Assistance Program (SNAP) (42 U.S.C. 2011 et seq.);
- Earned Income Tax Credit (EITC) (26 U.S.C. 32);
- Low-Income Housing Credit (LIHTC) program (26 U.S.C. 42);
- Special Supplemental Nutrition Program for Woman, Infants, and Children (WIC) (42 U.S.C. 1786);
- Supplemental Security Income (SSI) (42 U.S.C. 1381 et seq.);
- Other programs administered by the HUD Secretary;
- Other means-tested forms of federal public assistance for which HUD has established a memorandum of understanding; and
- Other federal benefit determinations made in other forms of means-tested federal public assistance that the Secretary determines to have comparable reliability and announces through the *Federal Register*.

If the owner elects to use the annual income determination from one of the above-listed forms of means-tested federal public assistance, then they must obtain the income information by means of a third-party verification. The third-party verification must state the family size, must be for the entire family, and must state the amount of the family's annual income. The annual income need not be broken down by family member or income type. Annual income includes income earned from assets, therefore when using Safe Harbor to verify a family's income, owners will neither further inquire about a family's net family assets, nor about the income earned from those assets, except with respect to whether or not the family owns assets that exceed the asset limitation in 24 CFR 5.618. The Safe Harbor documentation will be considered acceptable if any of the following dates fall into the 12-month period prior to the receipt of the documentation by the owner:

- Income determination effective date;
- Program administrator's signature date;
- Family's signature date;
- Report effective date; or
- Other report-specific dates that verify the income determination date.

The only information that owners are permitted to use to determine income under this method is the total income determination made by the federal means-tested program administrator. Other federal programs may provide additional information about income inclusions and exclusions in their award letters; however, these determinations and any other information must not be considered by the owner. Owners are not permitted to mix and match Safe Harbor income determinations and other income verifications.

If the owner is unable to obtain Safe Harbor documentation or if the family disputes the other program's income determination, the owner must calculate the family's annual income using traditional methods as outlined in Notice H 2023-10.

If the owner uses a Safe Harbor determination to determine the family's income, the family is obligated to report changes in income that meet the owner's reporting requirement and occur after the effective date of the transaction.

The amounts of unreimbursed reasonable attendant care expenses and child-care expenses deducted from a family's annual income, except for when a family is approved for a child-care expense hardship exemption, must still be capped by the amount earned by any family member who is enabled to work as a result of the expense. Owners are therefore required to obtain third-party verification of the applicable employment income and cap the respective expense deductions accordingly.

### Barnett Building Policy

When available and applicable, the BARNETT BUILDING will accept other programs' Safe Harbor determinations of income at annual recertification to determine the family's total annual income. The BARNETT BUILDING will still require third-party verification of all deductions such as the health and medical care expense or child care expense deductions. Further, if the family is eligible for and claims the disability assistance expense or child care expense deductions, where applicable, the BARNETT BUILDING will obtain third-party verification of the amount of employment income of the individual(s) enabled to work in order to cap the respective expenses as required.

Prior to using any Safe Harbor determination from another program, the BARNETT BUILDING will ask the family if they agree with the income amounts listed. If the family disputes the income amounts on the Safe Harbor determination, the BARNETT BUILDING will obtain third-party verification of all sources of income and assets (as applicable).

The BARNETT BUILDING will not accept other programs' determinations of income for any new admission or interim recertification.

With the exception of income determinations made under the Low-Income Housing Tax Credit (LIHTC) program, the BARNETT BUILDING will accept Safe Harbor determinations from any of the programs listed above.

In order to be acceptable, the income determination must:

- Be dated within 12 months of the dates listed above;

- State the family size

- Be for the entire family (i.e., the family members listed in the documentation must match the family's composition in the assisted unit, except for household members); and

- Must state the amount of the family's annual income.

The determination need not list each source of income individually. If the BARNETT BUILDING does not receive any acceptable income determination documentation or is unable to obtain documentation, then the BARNETT BUILDING will revert to third-party verification of income for the family.

When families present multiple verifications from the same or different acceptable Safe Harbor programs, the BARNETT BUILDING will use the most recent income determination, unless the family presents acceptable evidence that the BARNETT BUILDING should consider an alternative verification from a different Safe Harbor source.

When the BARNETT BUILDING uses a Safe Harbor income determination from another program, and the family's income subsequently changes, the family is required to report the change to the BARNETT BUILDING. Depending on when the change occurred, the change may or may not impact the BARNETT BUILDING's calculation of the family's total annual income. Changes that occur between the time the BARNETT BUILDING receives the Safe Harbor documentation and the effective date of the family's annual recert will not be considered. If the family has a change in income that occurs after the annual recert effective date, the BARNETT BUILDING will conduct an interim recert if the change meets the requirements for performing an interim recertification. In this case, the BARNETT BUILDING will use third-party verification to verify the change.

**9-H. STREAMLINED INCOME DETERMINATIONS [24 CFR 960.257(c);  
Notice H 2023-10]**

HUD permits owners to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained at move-in and every three years thereafter, in the intervening years, the owner may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or other inflationary adjustment factor. Streamlining policies are optional. The owner may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the owner must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources.

When 90 percent or more of a family's unadjusted income is from fixed sources, the owner may apply the inflationary adjustment factor to the family's fixed income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed and that their sources of fixed income have not changed from the previous year. Sources of non-fixed income are not required to be adjusted and must not be adjusted by a COLA, but owners may choose to adjust sources of non-fixed income based on third-party verification. Owners have the discretion to either adjust the non-fixed income or carry over the calculation of non-fixed income from the first year to years two and three.

When less than 90 percent of a family's unadjusted income consists of fixed income, owners may apply a COLA to each of the family's sources of fixed income. Owners must determine all other income using standard verification requirements.

### Barnett Building Policy

When the BARNETT BUILDING does not use a Safe Harbor income determination from a federal assistance program to determine the family's annual income as outlined above, then BARNETT BUILDING will use a streamlined income determinations where applicable.

Regardless of the percent of a family's unadjusted income from fixed income sources:

The BARNETT BUILDING will streamline the annual recertification process by applying the verified COLA/inflationary adjustment factor to fixed-income sources.

The family will be required to sign a self-certification stating that their sources of fixed income have not changed from the previous year.

The BARNETT BUILDING will document in the file how the determination that a source of income was fixed was made.

If the family's sources of fixed income have changed from the previous year, the BARNETT BUILDING will obtain third-party verification of any new sources of fixed income.

All other income will be verified using third-party verification as applicable.

In the following circumstances, regardless of the percentage of income received from fixed sources, the BARNETT BUILDING will obtain third-party verification, as applicable:

Of all assets when net family assets exceed \$50,000;

Of all deductions and allowances from annual income;

If a family member with a fixed source of income is added;

If verification of the COLA or rate of interest is not available;

During move-in and at least once every three years thereafter.
